

# STEAM

SCIENCE TECHNOLOGY ENGINEERING ARTS MATH

— CONFERENCE 2025 —

## SATURDAY MAY 17, 2025

Region 19 is excited to present our first West Texas STEAM/STEM conference. The all-day conference will feature sessions and activities designed to enhance the STEAM/STEM experience for students and teachers across our West Texas and Southern New Mexico region. The conference will also host a distinguished group of featured speakers and our keynote, providing direct insight to the interactive classroom of tomorrow. Attending designated sessions will also earn GT credit hours for participants. Join us for a full day of learning, networking, and fun at our first annual STEAM/STEM Region 19 conference!
