# College Prep Course Updates

# What factors determine the completion criteria for college prep courses?

Chapter 2 of the accountability manual states that a student can demonstrate College, Career, and Military Readiness by meeting Texas Success Initiative (TSI) criteria in RLA and Mathematics by successfully **completing and earning credit** for a college prep course as defined in TEC §28.014 and TEC §51.338.

***“in alignment between the local education agency (LEA) and the partnering institution of higher education (IHE).”***

***“upon successful completion of a college prep course, students earn a TSI exemption from the partnering IHE(s) in that content area”***, students should only be reported in PEIMS as successfully completing a college prep course if they have met the TSI exemption requirements agreed upon by the LEA and IHE(s).

# NEW!

## Schedule for Reviewed and Approved College Prep Courses

In the **2024-2025 school year**, TEA will begin the process to **review and approve** college prep courses for the purpose of demonstrating college readiness in the public-school accountability system. A call for applications is anticipated in **Fall 2024**. A **list of college prep courses** approved for public school accountability is anticipated to be released in **Spring 2025**.

Beginning with **2025-2026 graduates** (2027 accountability), only college prep courses from the approved list will be eligible for CCMR credit.

# NEW!

## Schedule for Phase-In of College Prep 12th Grade Requirement

For the **Class of 2025**, courses completed in the 11th or 12th grades will be eligible for CCMR credit (2026 accountability). For the **Class of 2026** and subsequent graduating classes **ONLY** courses completed in the **12th grade will be eligible for CCMR** credit through college prep.

A student successfully completing a college prep course that is not on the approved list or a student who is not in 12th grade may still be eligible for TSI exemption at the partnering IHE based on the term of the local agreement, but that **student SHOULD NOT be reported in TSDS PEIMS for the purpose of CCMR.**

# **CCMR Accountability Updates**

# Design Commitment #1:

Ratings Reflect the Better of Achievement or Progress

Better of Achievement or Progress: **70%**

**Domain 1**

**Student  
Achievement**

**Domain 2**

**School  
Progress**

**30%**

**Domain 3**

**Closing  
the Gaps**

**This design reflects a  
commitment**

- to recognize **high student achievement** and
- to recognize the impact of **highly effective educators**,
- while maintaining focus on the **students most in need**.

This design has produced ratings that are not strongly correlated with poverty.

## Design Commitment #2:

### Multiple valid measures to evaluate performance

In earlier grades, multiple tests are used (at least two each year and results over two years to measure growth) and STAAR is predictive of success in later years.

In high school, multiple CCM-Readiness indicators are used.

#### Domain 1: Student Achievement

Elementary

- **100% STAAR**

Middle

- **100% STAAR**

High Schools  
& K-12s

- **40% STAAR**
- **40% College, Career,  
Military Ready (CCMR)**
- **20% Graduation Rates**

College  
Ready

- Meet criteria on AP/IB exams
- Meet TSI criteria (SAT/ACT/TSIA) or complete a college prep course in reading and mathematics
- Complete dual credit course(s) or OnRamps course
- Earn an associate degree
- Graduate under an advanced diploma plan and be identified as a current special education student

Career &  
Military  
Ready

- Earn an industry-based certification after completing a program of study
- Earn a Level I or Level II certificate
- Enlist in the United States Armed Forces or Texas National Guard
- Graduate with completed IEP and workforce readiness (graduation type codes 04, 05, 54, or 55)

**A student shall be exempt from taking the TSIA if the student meets the following benchmarks on or after 2/15/23:**

a combined score of 40 on the English and Reading (E+R) tests shall be exempt for both reading and writing or ELAR sections of the TSI Assessment.

A score of 22 on the mathematics test shall be exempt for the mathematics section of the TSI Assessment. There is no composite score.

The use of scores from both the ACT administered prior to February 15, 2023, and the ACT administered after February 15, 2023, is allowable, as long as the benchmarks set forth in the first two bullets of this list are met.

taken the SAT administered March 2016 and later and earned a minimum score of 530 in Mathematics shall exempt the Math section of the TSIA.

# CCMR: Military Enlistment Data Collection

Beginning with **2023 Annual graduates**, TEA will award CCMR credit to graduates for whom the district uploads the required military enlistment documentation.

This also documents TX National Guard enlistment.

1. Districts must obtain a **completed DD Form 4** Enlistment/ Reenlistment Document-Armed Forces of the United States student who has enlisted.
2. The DD Form 4 must include **all require signatures** by the student and the enlistment officer.
3. Districts must **submit** the completed DD Form 4 **via a secure upload** process in the spring of 2024 for 2023 graduates.
4. Graduates for whom a completed DD form 4 is submitted will receive **CCMR credit** for military enlistment in both the academic **accountability** system and in **CCMR Outcomes Bonus** calculations.

# Note

Districts do not report TSIA results to the agency. The College Board provides the Texas Higher Education Coordinating Board (THECB) with TSIA results of all Texas students. The TSIA results received from THECB are matched to annual graduates and non-graduating 12th graders from TSDS PEIMS. The results are matched to students using an algorithm which includes TSDS Unique ID, SSN, local ID, and a combination of first name, middle name, last name, and DOB.

# ELAR Test Protocol (Effective September 9, 2024)

TSI Assessment test administrators may administer to high school students only, standalone ELAR test components:

- 1) CRC and diagnostic test (as applicable), and
- 2) Essay for initial ELAR test administrations
- 3) passing scores for both ELAR test components are required.

# MOU & Course Information

# Overview

# Benefits for Students

- As per TACC (Texas Association of Community Colleges) and TAC (Texas Administrative Code):
  - The College Prep Math course will count as a fourth credit in mathematics for students on the new foundation high school plan
  - The College Prep ELA course will count as an advanced English credit for students on the foundation (from the list of courses that count as fourth year of English)

# How Are Students Recommended for Placement?

- District decision based on:
  - Performance on coursework
  - College entrance exam (SAT/ACT)
  - Texas Success Initiative Assessment (TSIA)
  - EOC Assessments

# Texas Education Code Requirements

- Each school district must partner with at least one IHE to develop and provide college prep courses in mathematics and English
- Designed for 12<sup>th</sup> grade students who do not demonstrate college readiness based on:
  - Performance on EOC
  - College entrance exam (SAT/ACT)
  - Higher education screener (TSI)

# Course Objectives

- Intended to prepare students for success in entry-level college courses
- Students who successfully complete the course will graduate college ready
- Alternative to TSI
  - Students who are successful in these courses will have met TSI college entrance requirements at EPCC and/or UTEP

# Partnership Between Region 19 School Districts EPCC & UTEP

Goal is for the students of our region to be able to transition  
into either institution having met college readiness  
requirements with **TSI exemption**

# Memorandum of Understanding Region 19 School Districts, EPCC & UTEP

- In effect for 3 years then may be renewed
- One-year mathematics course
- One-year English course
- Senior-level courses
- All parties have role in development of course

# IHE & District Agreements

- EPPC and UTEP have approved:
  - Course materials
  - Final exams
  - Grading policy
    - Teachers will use district grading policy
    - **Students must have achieved a grade of 75 or better to obtain TSI exemption**
  - **Texas College Bridge curriculum resource**
- Goals and learning objectives integrate:
  - Developmental course sequence at EPCC/UTEP
  - Knowledge and skills necessary to satisfy and advanced ELA or mathematics credit
  - Technology that enhances the effectiveness of the course

# TSI Exemption (EPCC & UTEP)

- Seniors only
- Student must complete full academic year in either English or Math course
- Transcript must reflect a final grade of 75 or above
- Exemption is not transferable outside El Paso region
- Texas College Bridge allows for exemption to be transferrable to certain IHEs under the TEA agreement
  - Curriculum being funded by the state through June 2022
  - Texas COVID Learning Acceleration Supports (TCLAS) application also provides funding

# Teacher Certification Requirements

## YES

- ✓ Highly qualified teachers in either Mathematics or English
- ✓ Bachelor's degree
- ✓ Appropriate K-12 certification

## NO

- ✓ Dual credit
- ✓ Credentialing by EPCC required
- ✓ Master's Degree and 18-hour concentration in content area

# Frameworks

- Now part of the MOU as addendums
- Common Language and Objectives that guide course content
- Outline course materials and grading policy
- Agreed upon by all stakeholders involved in course design
- Guide for syllabus and scope and sequence

ESC Region 19 in partnership with EPCC and UTEP  
Transition to College English – 2 Semester Course

College Preparatory Integrated Reading and Writing I and II

**Target Students:** This course is appropriate for any 12<sup>th</sup> grade student whose performance on measures outlined in TEC §28.014 indicates that the student is not on track to perform entry-level college coursework in English Language Arts. This course is designed to advance college and career readiness.

**Recommended Prerequisites:** Satisfactory performance on the English I & II STAAR/EOC examinations and successful course completion of English III.

**Course Description as defined by El Paso Community College and The University of Texas at El Paso:**

Students will learn to investigate academic texts, construct supported interpretations and arguments for an authentic audience, and acquire academic habits of thought. Reading instruction will focus on developing critical reading skills for comprehension, interpretation, and analysis. In writing, students will develop skills through composing with specific purpose, situation, genre, and audience in mind. Students will write a variety of effective formal and informal texts. To learn to integrate reading and writing, students will use an inquiry approach to analyze, synthesize, and make value judgments regarding text and writing. The focus of the course will be on applying critical reading skills for organizing, analyzing, and retaining material and developing written work appropriate to the audience, purpose, situation, and length of the assignment. This course is designed to prepare students for college-level reading and writing intensive courses. Successful completion of this course, as defined by the memorandum of understanding (MOU) with the partnering institution(s), grants the student an exemption to TSI requirements for reading and writing at the partnering institution(s). Students will learn to write effective, logical essays, utilizing textual support to develop reading comprehension strategies, and to analyze, synthesize and make value judgments using critical thinking. The course fulfills TSI requirements for reading and writing.

Transition to College Math Course I – 1 Semester

College Preparatory Integrated Mathematics Course I

**Target Students:** This course is appropriate for 12<sup>th</sup> grade students whose performance on measures outlined in TEC §28.014 indicates that the student is not ready to perform entry-level college coursework in mathematics. This course is designed to advance college and career readiness.

**Recommended Pre-requisites:** Satisfactory completion of Algebra I and the Algebra I EOC exam, Geometry, and Algebra II.

**Course Description as defined by El Paso Community College and The University of Texas at El Paso:**

This course addresses a variety of mathematical topics needed to prepare students for success in college-level mathematics. In addition, the course supports students in developing skills and strategies needed to succeed in college. Mathematics topics include: real numbers, basic geometry, polynomials, factoring, linear equations, inequalities, quadratic equations, rational expressions and quantitative reasoning. Successful completion of this course, as defined by the memorandum of understanding (MOU) with the partnering institution(s), grants the student an exemption to TSI requirements for mathematics at the partnering institution(s). An overall grade for the semester of 75 or higher indicates that the student has met the college readiness standards established by the School Districts of Region 19, El Paso Community College (EPCC), and The University of Texas at El Paso (UTEP) indicating that the student is prepared for Integrated Mathematics Course II.
