Date:	June 22, 2023	
Subject:	Extended Virtual Education Options through the Texas Virtual School Network	
Category:	Full-time online instruction	
Next Steps:	Visit TXVSN website for more information	

On June 12, 2023, Governor Abbott charged the commissioner of education to waive specific requirements for school districts or open-enrollment charter schools to be able to continue offering virtual instruction options for students through the Texas Virtual School Network (TXVSN) for the 2023-2024 and 2024-2025 school years.

TEA's waiver authority will allow local education agencies (LEAs) that offered full-time virtual instruction or participated in the Virtual Accelerator in 2022-2023 to receive full funding for each student who successfully completes the school year as defined in [19 Texas Administration Code \(TAC\) §70.1001\(2-3\)](#). LEA requirements include obtaining a dedicated CDCN for the full-time online school and gaining waiver approval. The process is outlined below:

TEDS UPDATES

- Remote Asynchronous attendance should not be reported beginning in the 2023-2024 school year. Fatal edit 42400-0094 will be added to the PEIMS Summer and Extended-year Submissions.
