Additional Information
Lunch - Students not involved in AM testing sessions may be provided with their lunch opportunity prior to the posted time to ensure students completing AM testing and moving into PM sessions can be promptly served.
Schools should plan for a **delayed dismissal time on the first two days of exams** to ensure students are provided the maximum testing time opportunity. Concessions may also be required to provide students with documented Scheduled Extended Time the opportunity to complete testing based upon the specific content of their accommodation plans. **Please notify parents of delayed dismissal times**.
