 **It's Day 6 in the Money Battle to benefit the Food Bank for Monterey County, Day Six** and ANOTHER \$100 bill was put into the sixth grader's container yesterday, and they are now at NEGATIVE 31, 500 points! Sixth graders, we think it is time you start dropping some \$100 bills into the seventh and eighth graders' containers! The eighth graders are in second place with NEGATIVE 12, 919 points, and the seventh graders have taken over the first-place position with NEGATIVE 7,708 points. With yesterday's deposits, we have raised \$1,148.73 for the Food Bank for Monterey County to help our friends in need during the holiday season. We only have two days remaining to raise as much money as possible and reach our goal of \$5000. For our final twist to this competition, we are not going to be giving anyone an update in tomorrow's bulletin. Everyone will be shocked by the final results after Friday's count. The last moment to turn in any money will be right after lunch on Friday. We hope you spend the next couple of days asking everyone you know for coins and cash to help with our holiday donation for the Food Bank and may the most strategic grade level be crowned the winners of this Money Battle!
