## DISCRETIONARY LEAVE POLICY

*Distribution: Staff Policy Library*

### **Note:**

#### **1. Introduction**

1.1. Rishworth School recognises the diverse workforce it employs which includes a high percentage of people with caring responsibilities, as well as those with other personal commitments, who may require a leave of absence to deal with matters that fall outside of the Family Friendly Leave Entitlements Policy.

1.2. Rishworth School will, wherever possible, seek to achieve a balance between home and work, and whilst every effort will be made to grant leave in line with this policy, it is recognised that some requests for leave may not be approved.

1.3. All decisions made under this policy will be fair and consistent, taking into consideration the impact of the request on the school.

1.4. All policies are available on request from the Bursar.

1.5. The examples of discretionary leave provided within this policy are non exhaustive and where circumstances arise which are not identified in this policy the Head has the authority to decide on whether or not leave is granted, and whether it is with or without pay.

1.6. This policy also sets out what you must do if you need to take a leave of absence because you have a personal emergency.

1.7. Leave for the following reasons are covered by separate documents:

- Maternity/paternity/parental/shared parental/adoption/Ordinary Parental leave
- Compassionate Leave
- Flexible working

1.8. This policy applies to all Rishworth School employees, is non-contractual, and may be amended at any time.

#### **2. Decision Making**

2.1. Under the Employment Rights Act 1996, as amended, employees are entitled by law to take reasonable unpaid time off work to deal with unexpected or sudden emergencies involving dependents and to make any longer-term arrangements. This right to time off arises in circumstances such as death, sudden illness/hospitalisation, injury or assault of a dependent, or the unexpected disruption of a dependents care arrangements.

2.2. In the interests of equality, fairness, and consistency, decisions made regarding requests for discretionary leave of absence will be made within the framework of this policy, which adheres to specific legislation and relevant conditions of service.

2.3. Continuity of business is a vital component in the considerations given to requests for absence, so it is to be expected that should multiple absences citing a variety of reasons be made during a 12-month rolling period, there may be grounds for refusal.

2.4 It is an expectation that absence from school be minimised, so that non-urgent appointments are rescheduled out of School time, for example.

2.5 Application for absence under false pretences would occasion disciplinary action, most probably as being gross misconduct.

2.6. A dependent for this policy is anyone who is considered by the employer to reasonably rely on the employee

2.7. Immediate family members for this policy is;

- Father
- Mother
- Parent's spouse, if a parent has remarried
- Child (by blood, adoption, or marriage)
- Brother
- Sister
- Spouse
- Grandparent
- Grandchild

### **3. Procedure**

3.1. Except in emergencies, authorisation to take a period of discretionary leave must be requested from your Head/Bursar as soon as the need for the leave is known using the form in Appendix 1. Where the leave of absence request is made by the Head, the request should be submitted to the Chair of Governors.

3.2. Non-emergency leave must not be taken until it has been formally approved on the form in Appendix 1. Travel arrangements related to proposed leave should not be made until written authorisation has been given.

3.3. Where an emergency arises you must notify your Head/Bursar as soon as is reasonably practicable. In exceptional circumstances, a friend or family member may notify your manager on your behalf. The reason for absence and the anticipated duration must be provided. Employees and their managers should keep in touch during the absence, in particular employees should keep managers informed of any changes to their situation regularly.

3.4. Where a leave of absence request is refused there is a right of appeal. Any appeal must be made on the form in Appendix 1 within 10 days of receipt of the decision.

3.5. The purpose of the appeal is to review the decision made, to consider any procedural errors and any new evidence that was not previously available.

3.6. The appeal will be heard by an individual/individuals who represent a point of escalation from the original decision-maker. For example, where the decision maker was the Head, Governing Body members may hear the appeal. The outcome of the appeal is final. The format of an appeal hearing is outlined in Appendix 2.

3.7. A confidential record of requests for leave of absence and whether or not the request was granted will be maintained by your place of work. Members of occupational pension schemes should be aware of the impact of taking unpaid leave on their pensionable service.

3.8. The table in Section 4 reflects the school's position in relation to all aspects of Leave/Absence outside of individual sickness absence. It has been produced to ensure that Rishworth School adopts a consistent approach to dealing with requests for leave and in addition decisions on pay.
