Determination of the Schedule of the School Day and Week

Policy:

The principal, with staff consultation as needed, will develop a schedule with time to meet goals and requirements of the curriculum. The schedule will utilize time of the school day and calendar year as established by the local board to meet the needs and interests of students, curriculum, extra-curricular activities, and school programs.

Approved by SBDM Council: 4/4/2019

Chairperson: Christa Jeffords
