RE: Co-Curricular Participation Fees for Grades 7-12

Participation in co-curricular activities by students in grades 7-12 is encouraged. The information below explains:

A. Fee Schedule
B. Waivers, Reduced Fees, and Payment Options
C. Refunds

Please note that payment of activity fees does not assure equal participation by all participants at all levels. Though the district encourages as much fair and equal participation as possible for all children; there are situations in which the competitive nature of an activity does not allow for equal playing time.

A. Fee Schedule
Fee schedule is attached.

B. Waivers, Reduced Fees, and Payment Options
District policy allows a waiver or reduction of fees under certain circumstances. If you seek a waiver, a reduction in fees, or need to establish a payment option, please complete a Fee Waiver Request Form available in your school main office.

C. Refunds
Situations occur in which a refund is appropriate. To review criteria that explains such circumstances, please see the attached Request for Co-Curricular Fee Refund form.

Please note that the district athletic director approves all refunds for school sponsored athletic activities while principals approve refunds for clubs and school building activities.

All forms are available in the junior high office, the SPASH office, or online at the Business Office page of the district's website, www.pointschools.net
