## Juniors – Immunization Audit

Parents/Guardians,

Each school is required to provide 11th grade student's Certificate of Immunization (Georgia Department of Human Resources OHR Form 3231). **The audit assesses one meningococcal booster for existing students entering 11th grade or upon**

**enrollment in 11th grade.** Students who may be enrolling in or entering 11th grade that have not turned 16 are not eligible for this booster and will have 3231 forms that do not expire until their 16th birthday. If you choose not to vaccinate, you may fill out the Affidavit of Religious Objection. It must be notarized.

The Official Code of Georgia (§ 20-2-771) states, "No child shall be admitted to or attend any school or facility in this state unless the child has first presented a certificate of immunization to the responsible official of the school or facility." **This means that student/child compliance for every school and childcare center in Georgia must be 100%.**

The updated immunization or signed immunization waiver must be delivered to the main front office or emailed to Mrs. Williams by January 10, 2025. If you already have an appointment scheduled, please email Mrs. Williams so she can make a note on your child's record. If your child is up to date on immunizations, please disregard. If you have any questions, please contact Mrs. Williams via email at [deedee.williams@cherokeek12.net](mailto:deedee.williams@cherokeek12.net).

Padres/Tutores,

Cada escuela debe proporcionar el Certificado de Vacunación del estudiante de 11º grado (Departamento de Recursos Humanos de Georgia, Formulario OHR 3231). **La auditoría evalúa un refuerzo meningocócico para los estudiantes existentes que ingresan al 11º grado o al inscribirse en el 11º grado.** Los estudiantes que se inscriban o ingresen al 11º grado que no hayan cumplido 16 años no son elegibles para este refuerzo y tendrán formularios 3231 que no caducan hasta que cumplan 16 años. Si decide no vacunarse, puede completar la Declaración jurada de objeción religiosa. Debe estar notariado. Esto no puede ser notariado por el personal de la escuela.

El Código Oficial de Georgia (§ 20-2-771) establece: "Ningún niño será admitido o asistirá a ninguna escuela o instalación en este estado a menos que el niño haya presentado primero un certificado de vacunación al funcionario responsable de la escuela o instalación". **Esto significa que el cumplimiento de los estudiantes/niños para todas las escuelas y centros de cuidado infantil en Georgia debe ser del 100%.**

La inmunización actualizada o la exención de inmunización firmada deben entregarse en la oficina principal o enviarse por correo electrónico a la Sra. Williams antes del 10 de enero de 2025. Si ya tiene una cita programada, envíe un correo electrónico a la Sra. Snider para que pueda anotar en el registro de su hijo. Si su hijo está al día con las vacunas, por favor haga caso omiso. Si tiene alguna pregunta, comuníquese con la Sra. Williams por correo electrónico a [deedee.williams@cherokeek12.net](mailto:deedee.williams@cherokeek12.net).
