

Judson Independent School District High Plan 2

This map displays the proposed 2024-25 high school boundaries for the Judson Independent School District. The district is divided into several color-coded zones: Veterans Memorial (green), Wagner (orange), Judson (pink), Early College Academy (purple), and PA Residence Labels (24/25) (light blue). The map includes major roads, residential labels, and the locations of elementary, high, and middle schools. A legend in the bottom right corner provides a key for the symbols and colors used.
