Dear Parents/Guardians:

On Monday, December 16th, the Community Outreach Division of the Jefferson Parish Coroner's office will be at JQ Adams to present to our students. Their presentation, *Teens, Sex, and the Law*, is designed to educate students on Louisiana law as it pertains to age, consent, the internet, and social media.

This presentation is not a sexual education course – rather, it provides basic legal knowledge and is designed to help students understand Louisiana law as it pertains to teen sexual activity. With knowledge of Louisiana law and the consequences that come from breaking them, our students will be able to make informed decisions and have even more reasons to make good choices.

If parents/guardians have any questions or concerns please contact Mr Oufnac, principal or Ms. Campos, School Counselor, at 504-887-5240.

Thank you,

John Quincy Adams Middle School
