

Problem Solving Chart

Read each cyberbullying situation. Write one or more solutions that you think might work.
One possible solution is shown for you.

Problem	Solution
1. You get a text message from an unknown number calling you a bad name.	Ignore the message. Write down the phone number in case they text you again.
2. You comment regularly on an online message board. Every time you comment, the same person posts mean messages in response.	
3. A stranger keeps sending you threatening instant messages every time you log on to chat.	
4. A classmate e-mailed an unflattering photo of you to all your friends.	
5. A friend of yours wants advice on how to deal with a cyberbully.
