FALL 2023

**NOTRE
DAME**
HIGH SCHOOL
CHATTANOOGA

From *our* LEADERSHIP

To our NDHS families and friends –

You have heard me say, many times, how Notre Dame helps our students become the individuals God wants them to be. Last

September, I had the extraordinary opportunity of accompanying Cardinal Justin Rigali to Rome. While there, I had a moment with Pope Francis to share the work we are doing here at Notre Dame, thank him for his support, and share with him a special Notre Dame paperweight memento to remember us by. He told me he will pray for us.

I'm not sure I'll ever have the opportunity to do that again. It reminds me how special moments can be and how special our work is at Notre Dame. Communicating that to the Holy Father, on your behalf, was an honor and a privilege. Thank you for providing me with that opportunity.

Notre Dame strives to develop each student fully in Mind, Body, and Soul and in so doing, the whole person is ready to serve God and neighbor, yet each in their own individual ways.

— *Mind* —

Superlative academics and performing arts. We stand proud with any school in Chattanooga. Our students are getting a great education.

— *Body* —

Our athletic programs instill sportsmanship, leadership, discipline, and the correct way to win and lose with Christian humility.

— *Soul* —

Our mission is to share the Catholic faith in an environment which fosters spiritual growth and academic excellence and embraces religious, academic, cultural, and economic diversity.

You'll see this is reflected in all we do. We hope, in doing so, Notre Dame will be ever more attractive to parents and students seeking a Christian education in the Catholic tradition. Send us your students!

In closing, I'm reminded of St. Paul's letter to the Philippians, specifically 4:13 in which together we can do all things through Him who gives us strength. We do our best, and God does the rest.

Thank you always for your partnership, support, and advocacy.

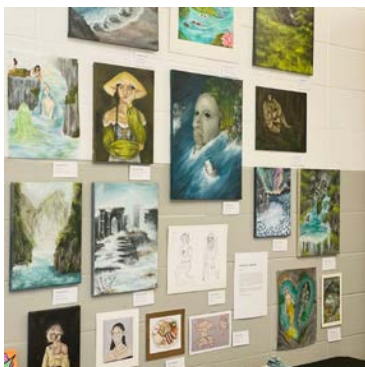

Deacon Hicks Armor
Head of School

Dear Alumni and Friends –

Congratulations to our newest Notre Dame alumni—the Class of 2023! This class graduated with some pretty impressive statistics. With 100% graduation rate, our students were accepted into an astounding 133 programs, and will attend 41 different colleges and universities in 14 states. Additionally, they received \$2,619,641 in academic and athletic scholarships awarded for Freshman year only.

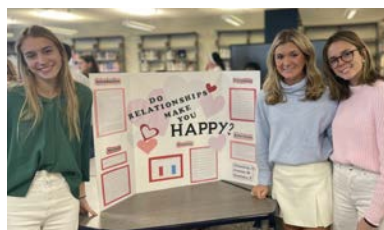

It's been an exciting year academically at Notre Dame. Through our partnership with Chattanooga State Community College, many of the class of 2023 were able to satisfy their Freshman English requirement as well as their High School Senior English requirement on the Notre Dame campus by taking Dual Enrollment English at Notre Dame. Four additional classes were offered online in our Dual Enrollment labs. We are excited to be able to expand our Dual Enrollment offerings for the 2023–2024 school year to include College Algebra on our campus. Additionally, we are able to offer thirteen Advanced Placement courses for students who choose to follow that path.

The 2023–2024 academic year also saw the return of the marching Irish. The Green Machine, under the direction of Marcie Hunter Smith '97, made their marching debut during the football season last fall.

The Visual Arts Independent Study Class provided an exhibition of original work in the lobby during Fine Arts Week, and the Theatre Department presented both *Peter and the Starcatcher* and *Little Shop of Horrors*.

Notre Dame is preparing students for amazing opportunities in STEM thanks to a grant from TVA and Bicentennial Volunteers Incorporated (a TVA retiree organization). The grant has provided resources that will allow Science classes to build a pollinator's garden with a gravity fed cistern system that will help our local environment. This would not be possible without the support of TVA and BVI!

Notre Dame's positive psychology class, The Science of Happiness, presented their well-being research project to fellow students and faculty.

Freshman Seminar students were tasked with a research project on a person whose success story interested them. Students learned to write a research paper, use PowerPoint, design graphics in Canva, and write a magazine article in Word. AP World History put on a Mongol Trial with faculty and past students serving on the jury!

We welcomed the Class of 2027 – our 151st – and look forward to another exciting year for all students!

Jamie Goodhard
Assistant Head of School

Congratulations

CLASS OF '23!

Deacon Hicks Armor; Valedictorian Benjamin Jungels, Princeton; Salutatorian Andrew Fillauer, UTK

First Days — Freshman Year and Senior Year

Celebrating Biliteracy ACHIEVEMENT

The Seal of Biliteracy is a national accolade meant to recognize a student who has demonstrated linguistic proficiency in two or more languages by high school graduation.

The Tennessee Board of Education passed a Seal of Biliteracy Policy in the 2018 school year, which specifies award criteria for schools and districts. The Seal is currently awarded in 40 states and Washington, D.C. The Seal of Biliteracy is open to all students, including English Language Learners, who are able to demonstrate proficiency in two or more languages by or during their senior year.

2022 was the largest group in Notre Dame class to receive this honor in the 4 years since Tennessee began presenting the award.

This year's Seal of Biliteracy recipients are receiving the Seal for proficiency in both English and Spanish. Their Spanish proficiency was measured either through their scores on a previous AP Spanish test or through scoring at the intermediate-mid level (or higher) in reading, writing, speaking, and listening on a standardized proficiency assessment which was taken earlier this quarter.

This year's recipients are Valeria Carmona, Olivia Chauncey, Campbell Cockerham, Dougless Derrick, Dominic Garcia, Maggie Haimelin, Kennedy Hill, Alysha Ho, Ben Jungels, Sam Smith, Tori Soutuyo, Kim Thai, Taylor Thompson, Rudy Tomas, and Allie Wilson. Three students received the Honors Seal of Biliteracy which requires a higher level of proficiency in both languages. These students are Kylie Flores, Denise Palacios, and Diego Zarate Barrios.

Valerie Silva, *World Language Department Chair, Spanish Instructor*

Education on MISSION

As Dominican Sisters from St. Cecilia Congregation, we are happy to serve at Notre Dame High School. Notre Dame was the first “mission” outside of the Nashville region for our Congregation. We were invited by Father Patrick Ryan to teach in his free school at St. Peter and Paul Catholic Church, and to found a “select school” whose tuition would fund the sisters. In 1876 four sisters came and founded Notre Dame de Lourdes—remarkable since at the time St. Bernadette was still living and the apparitions were not yet twenty years old!

Sister Victoria Marie

Sister Dominica

Because Notre Dame is dear to our community’s early years, and we have Sisters who are alumnae, there was great excitement in the community when Mother announced we were returning to Notre Dame in 2010. From the older alumni to the current

students, a love for their school is a distinctive characteristic of the Notre Dame students. Sister Victoria Marie says, “It’s great to see how our students enter into the Notre Dame community and give each other lots of support.” Sister Dominica includes that she, “delights in hearing stories from alumni who remember the school and the sisters fondly.”

SCHOOL’S OUT

In 2023 we bid bon voyage to a Notre Dame legend, Mr. John Mullin.

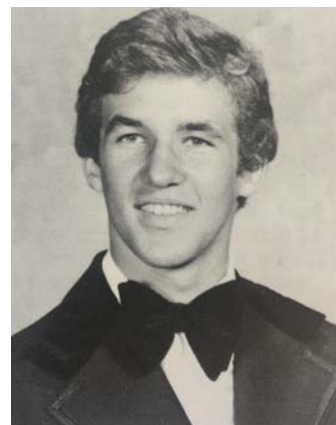

John graduated from Notre Dame in 1979 and attended UTC. Following his graduation from UTC in 1984, he returned to Notre Dame as a teacher in the Biology Department and as a Wrestling coach.

During his 39-year tenure at Notre Dame he has served as teacher, coach, and administrator. John retired from coaching in 2015, and under his tenure as head wrestling coach, Notre Dame enjoyed three Team State Championships, several State Runner Up finishes and numerous individual State Championship wrestlers.

As Facilities Director, he has supervised the addition of the Varallo Athletic Center, the Erickson Family Multi-Media

Center and Library, and the Miller Auditorium. He has also directed the upgrades in the STEM Lab, Classroom LED Lighting, Alumni Chapel, Science Rooms, Teachers Lounge, and numerous other school improvements/projects which enhanced the overall functionality of the school facilities.

John is the recipient of the Jim Phifer Service Award, the Heart of Notre Dame Award, and has the honor of having the Wrestling Room in the Varallo Athletic Center named after him.

John Mullin devoted his entire adult life to Catholic education at Notre Dame, and will be missed by students, parents, faculty, alumni, and supporters. The entire Notre Dame family wishes John continued health and happiness, and looks forward to visiting with him at the numerous athletic events he has always supported.

Reflections on PERFORMING ARTS

I spent most of my young adult life as a professional actor, so when I moved into the education side of things, I was curious...and nervous to be honest...about what working with students in high school theater would be like. I have only worked at Notre Dame as the theater teacher for two years, but in that short time, I have learned a few things about these students and high school theater in general. Participating in theater can be an immensely powerful experience for students. It offers a unique opportunity for young people to explore their creativity, develop communication and collaboration skills, and gain confidence in themselves and their abilities. Through theater, students learn to step outside of their comfort zones, take risks, and embrace vulnerability. They also learn to work as part of a team, developing a sense of community and shared purpose. Additionally, theater can help students develop a greater understanding of the world around them, as many productions explore complex themes and issues. Overall, participating in high school theater can be a transformative experience that can help students grow both personally and academically. But don't just take my word for it. Hear it from these Class of 2023 graduates, and their experiences.

"Theater is more than just the bright lights, big stage, and attention. It helped me realize the beauty of embarrassment. Was I still mortified to go up on stage with a hunch, a fake beard, and the strangest voice I could manage as Rumpelstiltskin? Absolutely. But theater taught me to embrace that feeling, to lean into it. It makes people laugh, it makes people enjoy the play you had put hours into. Plus, once someone has seen you scream and fake your own death, you are bonded for life. Maybe the world just needs to embrace being fun and ridiculous a little more. Theater may be hard at times, it may have serious scenes and behind-the-scenes tears. Yet, at the heart of every production is joy. I have learned to never be embarrassed by joy again, and that is what theater taught me." – Emma Pace

"I can confidently say that I am a completely different person than I would be had I not walked into my first audition freshman year. Every show we have a new group of actors and techs and yet it still feels like we are a part of the same big family. I will forever be grateful for the opportunities I have been given, the skills I have learned, and the friendships I have made here." – Alli Wilson

"The time I spent in Notre Dame Theatre stands out to me as a reminder of camaraderie, teamwork, and commitment. The amount of hard work and dedication the community has for it is staggering, and it has pushed me to open my mind and advance my limits as a thespian. I give so much credit to Mrs. Craig for running the show and giving us actual acting techniques while also making us feel comfortable in our extra-curricular environment. I'm thankful for the lessons, friendships, and opportunities I've been given through the theater and will value them for the rest of my life." – Connor Hayes

"Whether you're a crew member or a lead role, the theater department makes you feel included and loved. It allowed me to grow in my passion for the arts, and learn so much as an actress and a person along the way." – Aidan Walsh

"Making friends in the theater isn't difficult. Offering someone eyeliner or hairspray backstage, fixing mic tape that constantly falls off, or joking about the mic packs that love to turn off by themselves are just the simple ways theater kids tell each other, 'We're in this together.' Theater students who graduated from Notre Dame many years ago come back for our shows to reconnect with the community. Theater was and will continue to be an important part of me and my peers' lives, and being a 'theater kid' has made for a wonderful experience at Notre Dame." – Stella Malecky

Seeing what theater means to these students is what brings me joy every time I walk into the rehearsal space or classroom. I am so very thankful these students will take their experience,

friendships and knowledge out into the world with them, and I cannot wait to see where their lives take them, whether they continue to be involved in theater or not.

Rachel Craig,
Theater & Dance Department

WELCOMING Students

What a first year I have had as Director of Admissions at Notre Dame High School! Learning the ins and outs of the school has been challenging but so incredibly gratifying. After getting to know the teachers at Notre Dame, I am continually impressed by the way they interact with the students. The teachers have a unique way of meeting each individual student where they are, academically, socially and spiritually, and helping them move to the next level. Success is the end goal for all of our students but success is different for every student. The relationships that are built within the walls of Notre Dame High School are remarkable. They are the driving force that enable our students to become the best version of themselves, and to realize and reach their greatest potential.

Notre Dame is all about building character in our students and helping them to achieve what God has called them to be, which is truly unlimited. It is more than a school – it is a place where young men and women are formed into intellectual,

faith-filled, confident leaders. Our students leave Notre Dame with the knowledge, wisdom, and character necessary to be successful in college, their profession, and in life.

Lisa Costello

Homecoming King and Queen,
DJ Brown and Tori Soutuyo

THE MUSIC

Plays On

Notre Dame has had musicians in the building for decades but it was Jim McClure who officially organized the band program in 1975. He formed the marching band, called the “Green Machine”, and the color guard, the “Irish Rhapsody”.

The program enjoyed continued growth and success when Perry Vandergriff took the reins in 1982. The Irish Rhapsody, specifically, became an ongoing Chattanooga tour de force hosting annual color guard competitions in the Phifer Gym for several years.

Jim Gladson joined the ND family in 1988 and gave the band a new look with updated uniforms. These uniforms remained in use until 2007. Under Jim’s direction, the band continued to win marching band accolades and superior ratings at the annual Concert Performance Assessment with college-level music. Jim also built a strong jazz band during his tenure.

Jeff McIntosh continued the jazz band success which became his focus during his 22 years at ND. He has taught many All-State performers and successfully led the program through the pandemic.

Enter Marcie Hunter Smith ‘97. Marcie had the privilege of studying under Jim Gladson, and considers herself blessed to stand on the shoulders of giants. She revived the Green Machine Marching Band which returned to the competition circuit in 2022. 2023 will see the return of the Irish Rhapsody Color Guard and the debut of new uniforms made possible by the 2022 iGiveCatholic campaign.

This past year the concert band returned to the Concert Performance Assessment with Excellent ratings and the jazz band continues to delight our concertgoers. The band collaborated with our foundation schools, OLPH and St. Jude, by inviting 7th and 8th grade band students to be a part of our performances. Through the initiative of Marcie Smith, the

All-Chattanooga Area Private Schools Honor Band was created. In the first year, Notre Dame gave 50 middle school students and 50 high school students a true band ensemble experience.

In June 2023, NDHS began its own chapter of the nationally recognized Tri-M Music Honor Society. After 17 years in Hamilton County Schools, Marcie is humbled by her opportunity to share what she has learned with her alma mater, her home, Notre Dame.

And the beautiful music continues....

Marcie Smith
Band Instructor

GREEN & GOLD Gala

Our 4th Annual Green & Gold Gala was held at The Chattanooga Hotel on February 4th. Over 320 guests attended the Mardi Gras-themed celebration, enjoyed wonderful appetizers and a sumptuous dinner, danced to a wide range of great music from DJ Ryan Love, and plied their skills in our mock casino. But, most of all, we came together to support our Notre Dame High School!

Chair Family, the Sawyers, from left to right: Dan Sawyer '84, Stephanie Sawyer (Dan), Erik Hunt (Cammie), Cammie Sawyer Hunt '90, Ben Sawyer '15, Judy Wood '70, Courtney (Fiancé of Ben), Clare Sawyer '56, Hayley Sawyer '12, Beth Sawyer Wrinkle '82, Britt Wrinkle (Beth), Heather McReynolds Hammond '92, Tommy Hammond (Heather), Andy Sawyer '86, Kathy Sawyer '86, Joe Sawyer '80.

The Sawyer Family held Gala Chair honors; Joseph shared his perspective of the family and its long-standing history, tradition, and engagement with Notre Dame High School. His presentation was thoughtful and included moments of humor making us all laugh.

Deacon Hicks Armor updated us on the fine developments at the high school, and why we were choosing this year's cause: enhancements to the front of the school building and inside common areas.

Coach Jason Hill led our Paddle Raise. He even auctioned his fanny pack! Over \$120,000 was raised. Mary Jungels and the Gala Committee earned high marks for their work putting this stellar event together.

Many thanks to all who supported our Gala, but especially our presenting sponsors Karl '66 and Becky Fillauer and the Fillauer family, Mike & Martha '80 Leiper, and Knights of Columbus Council 610.

Notre Dame High School warmly welcomes Brian Gill, as he enters his first year as Director of Athletics Operations.

For the past 16 years Brian served as Head Age Group Coach and Swim School Director at the Baylor School, where he managed, marketed, and coached for the school and club programs. He

helped develop Baylor into one of the top swimming programs in the country. He managed age group coaches, swimming lessons instructors, and aquatics staff. Gill was also responsible for the creation, development, and management of their website and social media accounts. As the Head Age Group Coach, his athletes and teams earned many accolades, including Southeastern Swimming champions, Southeastern Middle School team championships, and numerous SES Zone Team members.

He is an ASCA Level III Coach, and an American Red Cross certified Instructor in Lifeguard, CPR, and AED training. Brian served as the President and Vice President of the Chattanooga Area Swim League (CASL) from 2020-2022.

Prior to working at Baylor, Brian served as the Head Age Group Coach for the Raleigh Swimming Association in Raleigh, North Carolina. He helped expand the RSA program from 120 swimmers to 280 swimmers in four years.

He graduated from Appalachian State University in 2002 with a degree in Communications, Broadcasting, and Electronic Media. During his time in college, he had various internship positions in the Athletics Department. They include the sideline reporter position for football radio broadcasts with the Appalachian Sports Network, and sport contact in the Sports Information department.

Brian and his wife Leah live in Hixson, TN with their daughter Megan who will be freshman at Notre Dame High School.

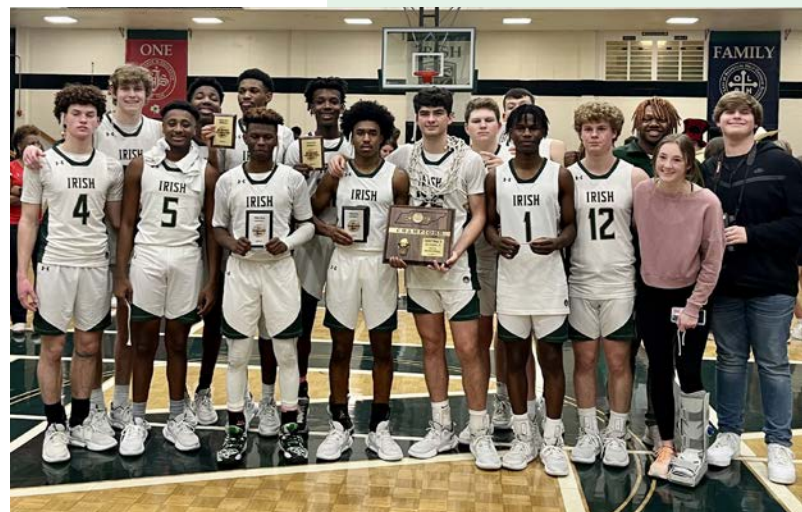

Congratulations to the 2022-2023 teams on their competitions and accomplishments!

Baseball – The Irish finished as the 3rd place team in the District.

Bowling – The Irish narrowly missed a State Tournament berth as a team. Sophomore Cooper Jones finished as the East Region Individual Champion and qualified for the State Tournament.

Boys Basketball – The Irish had a historic season! The team won the District Tournament, finished runner up in the Region Tournament and advanced to the State Championship game!

The 2023 team was the 5th team in Notre Dame history to advance to the State Semifinals and the 1st team to ever advance to the State Championship game.

Boys Soccer – The Irish won the DII-A East Region Championship and enter the State Tournament as the #1 seed in the East. They lost in the quarterfinals of the State Tournament.

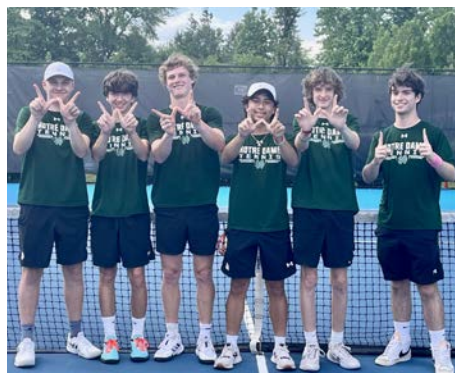

Cross Country – The Irish had seven runners placing in the top 50 at the Region Track Meet. Senior Caroline McDearman finished 13th in the Girls race, qualifying for the state meet.

Girls Basketball – The Lady Irish finished as the 3rd seed in the District.

Girls Soccer – The Lady Irish were 3rd in the district and advanced to the Region Quarterfinals.

Golf – The Irish had three golfers advance out of District play and qualify for the Region Tournament.

Lacrosse – The Irish narrowly missed qualifying for the State Playoffs.

Tennis – The Irish Boys finished as District Runner Ups and entered the State Tournament as the #4 seed in the East. They lost in the first round of the State Tournament. The

Lady Irish finished 3rd place in the District. Senior Savina Jones and Junior Hannah Widerkehr finished as Girls Doubles Region Runner Up in the Individual Region Tournament and qualified for the State Tournament.

Track and Field – The Irish finished as the Region Runner Up. They also qualified for the State Tournament in Girls Triple Jump, Boys Triple Jump, Boys 400m, Boys 200m, Boys 4x100, Boys 4x200, and Boys 4x400.

Volleyball – The Lady Irish advanced to the State Tournament as the #3 seed out of the East Region.

Wrestling – The Irish sent five individuals to the State Tournament: Luke Bramen, Brady Lawson, Seth Hart, Dylan Vintrov, Jadon Vintrov. Luke Bramen medaled at the 5th place finisher in the 126 lb. weight class.

Swimming – The Irish had twelve swimmers qualified for the State Meet. There were also four school records broken on the boys side: Henry Flasch (500 free and 100 backstroke), Vincent Porter (100 Breaststroke), and the 200 medley relay with Henry Flasch, Vincent Porter, Joseph Myers, and Nathan Jungels.

ADVANCEMENT & ALUMNI AFFAIRS

I must begin by thanking the hundreds of you who have committed financial support to Notre Dame over the past year. Our mission is, in its most basic form, to help our students become the individuals God wants them to be. To serve God and to serve neighbor. What simplicity! Fulfilling our mission requires significant financial support, and you have greatly helped us. Together we raised over \$780,000 last year.

As I write this, I am finishing my first year at Notre Dame. Kathy Martin contributed much when she was here, and I strive to meet the quality of her work. Thank you, Kathy! We just finished our Alumni Weekend and, thanks to Kari Ingle, Ken Mara, Kathy Mara and our Alumni Council, the Irish Classic, Every Class Bash, All Alumni Mass,

and the Golden Grads Brunch generated hundreds of smiles and all attending had enjoyable occasions.

In the 2023-2024 year, we have practical plans which will require commitment, focus, and dedication:

- Finish the entrance sign. I just walked down there this morning and saw the fine craftsmanship of the stone masons as they worked in the heat.
- Finish the administration building enhancements with the funds raised at the 2023 Gala.
- Host Homecoming on Friday, September 15th.
- Kick off a campaign for Phifer Gymnasium improvements, including air conditioning, new windows, a new floor, and locker room and sound enhancements.
- Launch Planned Giving, enabling you to make a lasting gift to Notre Dame through your estate plan.
- Publish our next Blarney Stone in Spring 2024.
- Host 2024 Alumni Weekend July 19-20.

This Fall, our Annual Fund will become The Notre Dame Fund with an annual goal of \$1 million. We will provide a menu of academics and performing arts, athletics, and spiritual investment opportunities, enabling you to connect with what is most meaningful to you. We will also be reporting back what is being accomplished, throughout the year.

Notre Dame is unique in that we develop the whole student; Mind, Body, and Soul. While our Diocese provides some support, the rest is up to us. Let's do this for our current and future students!

Once again, thank you for your support in time, talent and treasure. You are special. Go Irish!

Carl Rohsenberger

Director of Advancement and Alumni Affairs

To the Alumni Community –

It is an honor and a privilege to reach out to you again in this edition of the Blarney Stone. It does not seem like it was that long ago that I was writing this letter and telling you about my youngest son's graduation from Notre Dame. This week I am getting him packed up to go back to college for his second year. Where does the time go?

I hope that you had the opportunity to visit in some way during our Alumni Weekend. It was a nice success and I think that a good time was had by all. Our next event is going to be Homecoming. The date for this is Friday, September 15. Some of you have not been "home" in a while and some of you are at all the events that happen at Notre Dame. No matter which category you fall into, we would love to see you at Homecoming. Please watch your mail and inboxes for all the details.

Finally, I would like to extend an invitation for you to join us on the Alumni Council. The time commitment is not that much but the joy and satisfaction that you get from helping the school is amazing. There are even opportunities to be part of the council even if you do not live in Chattanooga. If you are interested, from in town or out of town, please reach out to me.

I look forward to hearing from you and as always...Go Irish!

Kari Ingle '89

Alumni Council President

REMEMBERING

In Loving Remembrance of our Alumni, Faculty, and Staff
 who left us April, 2022 through June, 2023

*Eternal rest grant unto them, O Lord, and let perpetual light
 shine upon them. May their souls and all the souls of the faithful
 departed, through the mercy of God, rest in peace. Amen.*

ALUMNI UPDATES

After completing the online "Google Career Certificate for Data Analytics"

Kestutis Dubininkas '24 worked with Notre Dame staff to connect with the City of Chattanooga to shadow various departments. He helped the GIS department with land surveying, using a drone and various other devices. "I genuinely believe that this time spent shadowing has helped my life more than just career searching or college choices. It gave me information like no other form of research could."

Dominique Lee '14 married Matthes Boyd on November 12, 2022.

Special thanks to **Zach Boyette '10** for sharing his education/life/career adventure with our 2023

Class at Senior Sendoff, and this morning with our Faculty and Staff. He is successful in many ways, in his work, and in his relationships with people helping them with their own adventures. Zach has helped our students and faculty on numerous occasions. If you ever get to meet him, you're in for a treat and perhaps starting a relationship of your own.

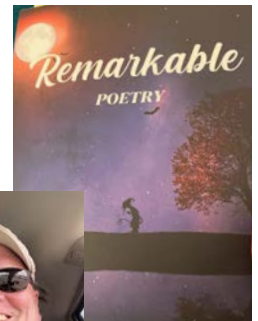

Joseph Carboni '08 and **Chelsea Crosby Carboni '09** welcomed their second child, Felix, in September. First child, Salem, is the other person with the big smile.

Robert Hughes '05 has enjoyed success as an artist in the animation industry for the past 6 years. He designs and hand draws characters which have been featured in various feature films and TV shows. Since October of 2022, he has been working as a background artist for comedian, Chris Rock, on his upcoming animated show that will begin streaming on Paramount Plus in the Spring of '24. You can read more about his story and see his artwork at: <https://sketchwallet.com/blogs/news> and <https://roberthughesart.com>.

Joe DeGaetano '92, an Assistant U.S. Attorney in Chattanooga, was appointed to the District of Columbia U.S. Attorney's Office in 2021-23 to prosecute crimes committed against the United States during the Capitol Riot of January 6, 2021. His cases included violent assaults on police officers.

Stephen Dover '91 recently graduated Cum Laude from Chattanooga State with a degree in Mass Communication. A 32-year education odyssey which is full of starts and stops, but ends with success! It's never too late. He is also married, has children ages 5-29, and 3 grandchildren...2 girls and a boy. Stephen's poetry was recently published in *Remarkable Poetry* Volume 12. His time at Notre Dame taught him to never give up and keep going no matter what. Through triumph and tragedy, gain and loss, every event in life and every person you meet, shape you and should be counted as a learning experience. GO IRISH!!!!

Melanie Manning-Burgmeier '80

reports they are back in Chattanooga after a long time out West. She was born and raised in Chattanooga and went to OLPH and then to Notre Dame. She got married in 1985 at OLPH and then moved to Phoenix, AZ. Built a WONDERFUL life there with her devoted husband, three beautiful children and eventually three grandchildren! They

wanted to retire back home and moved after 37 years in Phoenix. They are now living in East Brainerd and connecting with life-long OLPH and NDHS friends and family. GOD is good. She is happy to be HOME and her husband is adjusting. Notre Dame provided her with the BEST education, but most IMPORTANTLY the BEST love of FAMILY and to do your BEST. HAPPY TO BE HOME!

Barbara "Barbie" Johnston

'77 and her husband, Lee Sill, were married on 3/14/23. Pi day! Lee is a retired attorney. Barbie is a pediatrician in a Pennsylvania practice. Life is great! Barbie's son, Ian, just separated from the Navy where he was a helicopter and fixed-wing pilot. He's training for Boeing 777s now. You might see him on an airline trip one day! Congratulations Barbie and Lee, and Ian!

The Notre "Dames"

Class of '68 meeting for lunch! Shelly O'Neill McQuillen, Diana Harwood Peterson, Kathy Giles Case, Kitty Coulter Roberts, Kathy Gribben Mara, Mary Harris Danules, Leigh Kinsey Kontavich, Kathy Hopper

Bailey, Margaret Neligan Fraser, Janis Quay Elsner, Theresa Berry Moore

The Sindh Institute of Medical Sciences in Karachi, Pakistan has named **Paul A. Lombardo '67** of Georgia State University College of Law as a Distinguished Professor of Bioethics and Law. He was the guest of honor at the inauguration of the Institute's Centre of Biomedical Ethics and Culture (CBEC) in 2004. He has been an associate faculty member there since 2009. CBEC offers a postgraduate diploma in BioMedical Ethics and a master's degree in Bioethics. Lombardo returns to Karachi every other year to teach Law and Bioethics. He also provides thesis advice, student evaluations, and other academic support. Congratulations, Paul!

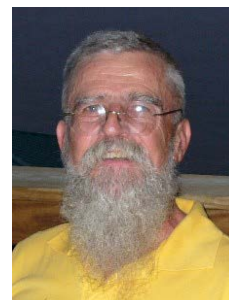

Denise Camille (Laub) Frye '63

has recently published her fifth book, *Beyond Witches' Woods*, a fairytale for all ages. The book is based on Denise's childhood fantasies experienced at the real Anna's Nest where she grew up in the 50's and 60's while attending the "old"

Notre Dame. The book is fabulously illustrated by nieces **Hannah Walker '25** and Alexandra Walker, OLPH '23, and is now available in bookstores and online at Amazon.

Raymond Weaver '62 served three years in the Army and retired from the Hixson Post Office in 2006 with 40 years of service. He recently completed 16 years of service with a rental car company at the Chattanooga Airport. He is praising God for a long career and good health!

Keep us in the loop! Send your Alumni News or updated address to alumni@myndhs.com

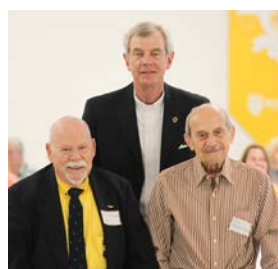

2023 ALUMNI *Weekend*

Tradition Never Graduates!

— GOLDEN GRADS —

From start to finish The NDHS Class of 1973 had an exceptional 50-year reunion weekend. We kicked off the weekend with a Ladies Luncheon hosted by Martha Nolan at Il Primo. Later we gathered at Tom and Anita Decosimo's home for a cook-out. Saturday morning was the Golden Grads Mass and Brunch at NDHS. Mass was celebrated by our classmate Fr. Ed Steiner. Our "BIG" 50th Year Class Bash was at the Mountain City Club. There is so much energy when we are all in the room together. Catching up with friends. Sharing memories. Laughing. Listening to stories. What an amazing weekend. We are not the only class to have so many shared memories, but we did grow up in a special time and we have a group of classmates that make getting together after 50 years pretty cool.

Let's not wait five more years for all of us to gather. Save the date now for Alumni Weekend 2024, July 19-20 so we can continue celebrating and creating memories.

Two Class of '48 Alumni joined us for the brunch.

IRISH CLASSIC

Congratulations Doug Barta, Vince Stafford, Pork Rhyne and Jimmy Ellis!

EVERY CLASS BASH

REUNIONS

During Alumni Weekend 2023, over 60 guests attended the NDHS Class of 2003 20th Reunion. The reunion was held on Saturday, July 22 at Common House in downtown Chattanooga. We appreciate all of the guests who attended, including several teachers and administrators from our years at NDHS (1999-2003). Fun facts from our 20th reunion night: Brittany Miller traveled the farthest to our reunion (from Idaho!), Rachel Cook Inman has the most children (5!), and two married couples are NDHS grads (Brandon Phifer + Jennifer Schoenborn Phifer, and Joey Appleby + Rachel Appleby). Class of 2003 20th Reunion Committee members were Andrew Anderson, Reed Farnsley, Adam Gibbs, Lindsey Chapman Grey, Theresa Mozier Johnson, Meghann Nabor Naegele, Stephen Ratterman, and Summer Nesmith Sikkema.
