This project will be funded in part by federal funds. All recipients of federal grant dollars must comply with all federal procurement guidelines. All provisions provided below are hereby incorporated by reference into any agreement (“Agreement”) entered into between Owner and the selected Proposer (“Contractor”). By entering into this Agreement, Contractor certifies the following:

Appendix II to Part 200 Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

(A) Contracts for more than the simplified acquisition threshold, currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Rule (A) above, the Owner reserves all rights and privileges under the applicable laws and regulations with respect to this procurement process in the event of breach of contract by either party.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) *Pursuant to Rule (B) above, Owner may, in its discretion and without cause, upon three (3) business days’ written notice to Contractor terminate this Agreement for Owner’s convenience.*

(D) *Upon receipt of a written notice from Owner terminating this Agreement for the Owner’s convenience and without cause, the Contractor will (i) immediately cease performing any or all portions of the Work, unless otherwise directed by the Owner, in which case the Contractor will take the action directed by the Owner, (ii) immediately take all reasonable and necessary action to protect and preserve the Work, and (iii) unless otherwise directed by Owner, terminate or assign all agreements with Subcontractors and suppliers.*

(E) *If this Agreement is terminated for the Owner’s convenience and there exists no event of Contractor’s default, as defined in this Agreement, the Contractor shall be entitled to receive payment (i) for Work properly executed up to the date the notice of termination is received by Contractor, including overhead and profit up to the date of termination, and (ii) for Work performed at the direction of the Owner on and after the date on which the notice of termination is received by the Contractor, as determined by the procedures applicable to Change Orders.*

(F) *If this Agreement is terminated for the Owner’s convenience and there exists an event of Contractor’s default, as defined in this Agreement, Contractor will be entitled to receive only such sums as it would be entitled to receive following the occurrence of an event of default under this Agreement.*
