PROJECT MOMENTUM TRAILBLAZER SPOTLIGHT

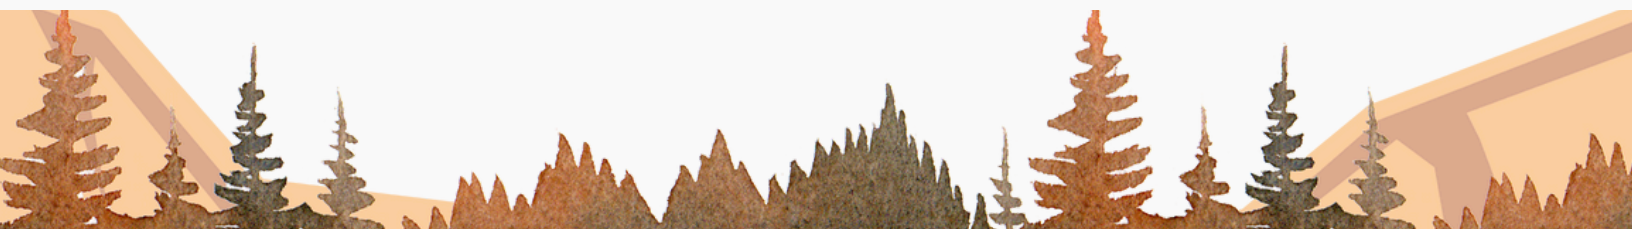

Diane Hamilton

We are thrilled to celebrate Diane as this week's Trailblazer! An exceptional English teacher, Diane uses Interactive Notebooks (IANs), a strategy from Dr. Dan, to create an engaging classroom that fosters critical thinking and active learning. These notebooks encourage students to engage deeply with the material, analyze texts, and synthesize information in meaningful ways.

A key component of Diane's IANs is the detailed table of contents, which helps students stay organized and track their progress. This tool also allows students to reflect on their learning and revisit key concepts, strengthening their understanding over time.

Thank you to Principal Rick Bradshaw and Assistant Principals Dr. Jantina Russell and Donte Edmundson for supporting innovative teaching practices. Congratulations, Diane, on this well-deserved recognition for your creativity and commitment to student success at BMHS! Congratulations, Diane!

\$2500 Palo Verde
Wishes for Teachers Grant

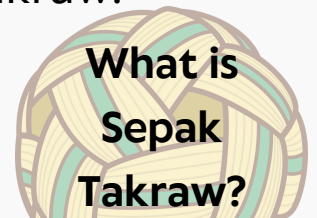

Jamy is thrilled to use the grant funds to provide her students with writing kits that will guide them in crafting and illustrating their very own stories. The final product will be a beautifully hardbound book, showcasing their creativity and hard work!

Mr. Kinnaman \$500 HEF Grant
Scott put his grant to great use by equipping students with new gear! They've been enjoying the new badminton nets and even learning a new sport: Sepak Takraw.

Sepak Takraw is a Southeast Asian sport combining soccer and volleyball. Players use their feet, head, knees, and chest to hit a rattan ball over a net, showcasing amazing acrobatics and teamwork.

Bradshaw Mountain High School's blood drive was a tremendous success, achieving 115% of the projected target for donations. A huge thank you to Ms. Stooks and everyone who participated.
