Wishing You Happy Holidays & a Wonderful Winter Break

As we approach the holiday season, I want to take a moment to express my sincere gratitude for your continued support and partnership. It's been a wonderful year filled with many accomplishments, and I'm incredibly proud of what we've achieved together.

Whether you're celebrating a specific holiday or simply enjoying the winter season, I hope you find peace, joy, and happiness.

We look forward to welcoming our students back to school on Monday, January 6, refreshed and ready to learn. Wishing you all a safe, happy, and healthy holiday season and a wonderful winter break.

Updates throughout the Schools

Stoughton High School

Our Madrigal singers have been dazzling the community this holiday season with performances at the Senior Center, downtown, the Stoughton Library, and more! Don't miss their 48th Annual Madrigal Dinner on the weekend of December 14th. We wish all our performers the best of luck!

River Bluff Middle School

This month, RBMS kicked off its Community Change Makers program!

Our incredible students celebrated their peers who embody the spirit of kindness and respect. It was heartwarming to see students recognizing and honoring each other for their positive impact!

Fox Prairie Elementary

We're so proud of our community for **collecting 635 lbs of food for the Stoughton Food Pantry** on World Kindness Day! Get ready for festive fun with Sports Day on December 6th and Ugly Sweater/Festive Gear/PJ Day on the 20th. Don't miss the SHS Music Tour Assembly on the 18th!

Kegonsa Elementary

On December 18th, SHS Band, Choir, and Orchestra will perform at Kegonsa as a capstone to our Instrument Petting Zoo unit. Kegonsa students are connecting with SHS alumni musicians through "rookie" and current trading cards, building K-12 connections, and seeing future possibilities!

Sandhill Elementary

Stuff the Stockings is in full swing at Sandhill! This event collects spare change to donate to the local Food Pantry, helping those in need during the holiday season. Thank you to all who have participated for your generosity!

4 Year Old Kindergarten

Last month was a busy one for our 4K students! They explored community helpers, practiced letter and number recognition, and celebrated with parent visits. In December, students will dive into farm life and continue the phonics journey.
