The image shows a screenshot of the Schoology web interface. On the left, a calendar view is partially visible. The main header shows the user's name 'Deskin Student' with a dropdown arrow. The dropdown menu is open, showing a list of children: 'Melissa Deskin', 'Deskin Student' (highlighted with a red box), 'Add Child', 'Your Profile', 'Germantown Municipal S...', 'Forest Hill Elementary Sc...', 'Houston High School', 'Houston Middle School', 'Riverdale Elementary Sc...', 'Settings' (highlighted with a red box), and 'Logout'. Below the dropdown, the 'Account' tab is selected, and the 'Parent Email Digest' settings are displayed. The settings include a checkbox for 'Receive weekly or daily email reports of your children's activity', a dropdown for 'Email Summary' set to 'On', a dropdown for 'Repeat' set to 'Weekly', a text field for 'Time' set to '05:00PM', and a day selector with 'F' (Friday) selected. Below this, the 'Overdue Submissions Email' section has a checkbox for 'Receive an email when an item's due date has passed without a submission from your child.' and a dropdown for 'Email Notification' set to 'On'. A red 'Save Changes' button is at the bottom right. A large 'S' logo is in the top right corner. A QR code is in the bottom left corner.

Schoology Calendar-Weekly Plans

Our teachers are required to post their weekly agenda for their class by Monday morning. This way, you can see what's going on in class , what your child missed if they were absent, and whether or not they have homework and tests.

The weekly agendas are pinned to the top of each Schoology course page for easy access.

Paying Fees on SchoolCash Online

<https://www.gmsdk12.org/apps/pages/schoolcashonline>

The link at the bottom has an FAQ. One important piece is that parents should receive an email to SCO automatically upon enrollment. If you don't, you can follow the links to enroll but need to use the same email you have in Skyward so your kids will be associated correctly.
