

Our Commitments:

Positive and Supportive Environment: We provide a safe, caring and inclusive space for all students.

Prideful Practices: We foster a sense of pride and accomplishment in our students.

Student Wellbeing: We prioritize student's social and emotional health through various supports, including trauma-responsive practices, mental health services and SEL activities.

Community Engagement: We involve families and the community in our student's achievements.

Our Programs:

Innovative Learning: We offer engaging STEAM projects, coding, AI design, and hands-on activities like robotics, gardening, and hydroponics.

Academic Rigor: We provide rigorous high-quality instruction, tailored to individual needs

Professional Development: Our dedicated staff continuously learns and grows to provide the best possible education for our students.

Our Community:

Parent Involvement: Our active Parent-Teacher Organization (PTSO) funds our field trips and other events to enrich our student's learning and social experiences.

Shared Decision-Making: Our School Accountability Committee(SAC) empowers parents and community members to contribute to school improvement and decision-making processes.

In Mrs. Fletcher's words: "KINDERGARTEN IS A...Mistake-Making, Laughter-Sharing, Independence-Building, Brain-Stretching, Classroom where everyone matters! Through an exciting, nurturing and challenging environment, your child will grow socially, emotionally, and intellectually as we build a solid foundation for future learning."

Upcoming Events:

Student led Open House – December 17th 9 – 10:30am & 4 -5:30 pm
