November 4, 2024

Members Present: Colleen Goundrey, Jennifer Phillips, Ashlee Boothe, Rachel Manfredi, Reagan Meuth, Marilyn Block

The meeting was called to order at 6:05 pm by Colleen Goundrey.

SHAC had a guest speaker from Houston HIDTA (High Intensity Drug Trafficking Area), Wendell Campbell, Drug Intelligence Officer. Mr. Campbell spoke to SHAC regarding Fentanyl and drug overdoses. Some of the discussion centered around:

- Fentanyl overdoses are the third leading cause of death in adolescents.
- Xylazine or “Tranq”
- Narcan not effective with “Tranq”.
- Medetomidine- another animal tranquilizer being used.
- Narcan administration and some of the organizations that will send Narcan out for free.

Once Mr. Campbell completed his presentation the SHAC members introduced themselves and term limits were discussed.

A review of the by-laws were discussed and unanimously adopted.

Annual Health Fair

The Annual Health Fair was discussed briefly as to whether SHAC would like to continue attending the Spring Outdoor Event at the City of Mont Belvieu Park, more discussion on the subject to continue in the next SHAC meeting.

Upcoming meeting dates:

- January 27, 2025
- March 24, 2025
- May 5, 2025

There were no open discussions or questions.

The meeting was adjourned at 7:38 pm.
