BLUEPRINT FOR MARYLAND'S FUTURE

December 12, 2024

Dear Superintendent Navarro:

The 2024 LEA Blueprint Implementation Plan submissions include seven components that have been reviewed separately and determined to meet the corresponding Criteria for Success and requirements. The Accountability and Implementation Board (AIB) approved Charles County's implementation plan at its November 21, 2024, public meeting. This approval also releases the Blueprint funds that are automatically withheld under statute pending the AIB's approval for fiscal year 2025.

On behalf of the AIB, we congratulate you and your team, particularly your Blueprint Coordinator, Christina Miller, for this accomplishment and commend your tremendous efforts throughout this process. We look forward to continuing to work in partnership with you to realize the Blueprint's goal of providing a world-class education for every student in Maryland.

Sincerely,

Isiah Leggett
Chair
