

Important Announcement: School ID Badges

Dear Parents and Students,

We are excited to announce that, starting after Winter Break, all students will be issued school ID badges. These badges serve as an important tool for student identification, security, and access control. Each student will be required to wear their ID badge at all times to be admitted into classes and to ensure a safe and organized school environment.

Key Details:

- **Issuance of Badges:** After Winter Break, every scholar will receive an ID badge. This badge will act as both an ID and a means of verifying student status throughout the school day.
- **Temporary Badges:** If your student was unable to take their school picture, they will receive a temporary ID badge. Once retakes are completed, students will receive their permanent badge.
- **Wearing the Badge:** Students are expected to wear their ID badge visibly while on school grounds. Failure to wear the badge may result in being denied entry to classes or other school facilities.

We appreciate your support in helping us maintain a secure and efficient school environment. Please ensure your child understands the importance of wearing their badge each day. If you have any questions, feel free to contact the school office (512-278-4800).

Thank you!

Manor High School Administration
