

# CHOICE BOARD I

## Would You Rather?

Would you rather go to an amusement park or to the beach? Write a paragraph explaining your choice.

## Read It!

Read a chapter of a book of your choice. Then, write a journal entry for the main character explaining the things that happened in that chapter.

## Do the Math

Write eight math problems that each have the answer of 72. Try to use all four operations.

## Design It

Design and draw a map of your very own classroom. Create a library area, places to keep supplies, and seating areas for students.

## Be an Inventor

Invent a machine that does your homework for you. Write a paragraph describing the machine. Then, draw the machine and label its parts.

## Word Work

How many words can you make using the letters in the words SCHOOL DAYS? Make a list of all the words.

## Be a Scientist

Research the parts of a plant. Draw a plant and label 5 parts.

## Explore the World

Think of a country you'd like to visit. Create a map of the country. Label 5 cities or destinations on the map that are places you'd like to see.

## List the Steps

List the steps it takes to make a peanut butter and jelly sandwich. Use time order words and complete sentences.

# CHOICE BOARD 2

## Would You Rather?

Would you rather make an ice cream sundae or a fruit smoothie? Write a paragraph explaining your choice.

## Read It!

Read a book or magazine of your choice for 20 minutes without stopping.

## Do the Math

Write these numbers in word form:

8,407

942,156

6,039

## Design It

Design and draw a new type of bicycle. Label all parts of the new bicycle.

## Be an Inventor

Invent a machine that cleans your bedroom. Write a paragraph describing the machine. Then, draw the machine and label its parts.

## Word Work

Use a thesaurus to find and write 5 synonyms and 5 antonyms for these words:

BIG

PRETTY

DIFFICULT

## Be a Scientist

Research an animal you'd like to know more about. List 5 facts about the animal.

## Explore the World

Draw a map of the world. Label the continents and major oceans.

## List the Steps

List the steps it takes to wash a car. Use time order words and complete sentences.

# CHOICE BOARD 3

## Would You Rather?

Would you rather give a speech or sing a song for an audience? Write a paragraph explaining your choice.

## Write It!

Write a class newspaper describing any recent activities and advertising upcoming events.

## Do the Math

Make a pattern of 10 numbers following a rule. Write the rule that the pattern follows.

## Design It

Design a new board game. Draw a picture of it and write the rules for playing the game.

## Be an Inventor

Invent a machine that makes sandwiches. Write a paragraph describing the machine. Then, draw the machine and label its parts.

## Word Work

Write your spelling words in fancy lettering using crayons, colored pencils, or markers.

## Be a Scientist

Research snowflakes and how they are made. Write an explanation describing the process.

## Explore the World

Make an advertisement for a popular vacation destination in the United States.

## List the Steps

List the steps it takes to make an ice cream sundae. Use time order words and complete sentences.
