

These independent learning tasks should be completed by 14.02.2025. Pupils are expected to complete all tasks. All completed tasks will be rewarded with positive points.

Reading: Pupils in years 4 to 6 follow the Reading Eggs programme and should be completing this 5 times a week for 20 minutes, working through the levels and maps, along with completing the weekly assignments set by their teacher. Pupils should access the library area of the programme in addition to this and read a variety of books. Please contact your child's teacher if you need a reminder of your child's login details.

Mathematics and numeracy

Weekly maths tasks will be uploaded onto Google Classroom/given out to pupils to consolidate the work we have been completing in class on the topics of algebra, area, perimeter and volume. Please also practise your times tables <https://www.timestables.co.uk/games/>

English, literacy and communication

Linking to our novel 'A Kind of Spark', write a non-chronological report about sharks. Try and include facts about the different species Addie talks about in the novel. Use the resources on Google Classroom to support your writing. Use the success criteria to make sure you are including all the features for writing required.
Weekly spelling words will be uploaded onto our Google Classroom.

Science and technology

Independent learning task sheet has been uploaded onto the Google Classroom I. For each row you complete you get an added two points to your total points which links to the leadership board. All work needs to be uploaded to the drive or put in the homework box to get your points.

Caru dysgu: Humanities

Carry out some research about Rosa Parks linked to our theme. Please include facts about her early life and what she was famous for. What change did she fight for? How did she do it? You can choose to present your work as you wish - fact file, poster, or slides presentation.

Caru dysgu: Expressive art

Art is often used as part of campaigns and protests through posters and banners to try and change people's mindsets. Can you create a poster that could be used in a campaign about Global Warming?

Examples will be posted on Google Classroom.

Well-being

In our PE lessons this term we are completing a unit on health fitness and wellbeing. As part of this you will be taking part in various types of circuit training activities. Can you design your own circuit (this can be specific to a sport or generic) that you could set up and facilitate in one of our PE lessons.
