Minnesota Language Survey

Minnesota is home to speakers of more than 100 different languages. The ability to speak and understand multiple languages is valued. The information you provide will be used by the school district to see if your student is multilingual. In Minnesota, students who are multilingual may qualify for a Multilingual Seal upon further assessment. Additionally, the information you provide will determine if your student should take an English proficiency test. Based upon the results of the test, your student may be entitled to English language development instruction. **Access to instruction is required by federal and state law. As a parent or guardian, you have the right to decline English Learner instruction at any time.** Every enrolling student must be provided with the Minnesota Language Survey during enrollment. Information requested on this form is important to us to be able to serve your student. Your assistance in completing the Minnesota Language Survey is greatly appreciated.

Ethnic and Racial Demographic Designation Form

Student's First Name: _____ Middle Name/Initial: _____ Last Name: _____

Date of Birth: _____ District: _____ School: _____

Schools are required to report ethnicity and race to the state and to the U.S. Department of Education. Because of recent changes to Minnesota state law, Minnesota disaggregates each category into detailed groups to further represent our student populations.

Parents or guardians are not required to answer the federal questions (**in bold**) for their children. If you choose not to answer the federal questions (**in bold**), federal law requires schools to choose for you. This is a last resort—we prefer if parents or guardians complete the form. State questions are labeled as “Optional” and schools will not fill in this information for you.

This information helps improve teaching and learning for everyone and helps us accurately identify and advocate for students currently underserved. The information this form collects is considered private information. You can review the privacy notice to learn more about the purpose of collecting this information, how it will be used and not used, and how the detailed groups were identified. Review of Student Discipline Policy: New Student

REVIEW OF STUDENT DISCIPLINE POLICY

(Parents must review this information with their child before the Student Acknowledgement Form is signed)

1. Click this link [Student Discipline Policy 506](#) to view and read the policy.
2. The intent of the Student Discipline Policy 506 is to establish guidelines to assist in maintaining a supportive, safe, welcoming, and inclusive environment.
3. All students are "held **individually** responsible for their behavior and for knowing and following the Code of Student Conduct" and the Discipline Policy.
 - Discipline for violations of the Code of Conduct or Discipline Policy may occur regardless of any other student's behavior.
4. This policy applies to all school buildings, school grounds, and school property or property immediately adjacent to school grounds; school-sponsored activities or trips; school bus stops; school buses, school vehicles, school contracted vehicles, or any other vehicles approved for school district purposes; the area of entrance or departure from school premises or events; and all school-related functions, school-sponsored activities, events, trips, virtual learning spaces, and school-sponsored social media platforms. School district property also may mean a student's walking route to and from school for purposes of attending school or school-related functions, activities, or events.
 - There might not be a school employee present at some of these locations (e.g., walking routes and some school approved vehicles). But, your behavior is still subject to the Code of Conduct, the Discipline Policy and other school policies.
5. This policy also applies to any student whose actions at any time or in any place, including online, interfere with or obstruct the mission or operations of the school district or the safety or welfare of the student, other students, or employees.
 - This means that off-campus conduct (including bullying and cyberbullying) might result in discipline, if it affects the school or jeopardizes the safety or well being of a student or staff member.
6. The Code of Conduct lists Student Responsibilities, some of which are included below:
 - assist in building a school culture and climate where all students are supported, valued, respected and safe;
 - support and engage in repairing any harm caused to others, the community, or the environment;
 - attend school daily, except when excused, and to be on time to all classes and other school functions;
 - recognize and respect the rights of others.
7. A violation of school district code of conduct, rules, regulations, policies or procedures will result in a restorative discussion. The school district has authority to impose more severe disciplinary responses for any violation if warranted by the student's actions.
 - For example, the District might propose dismissing a student where it appears that the student will create an immediate and substantial danger to self or to surrounding persons or property.

- The District may also propose dismissal if a student possesses a weapon at school. The District's weapons policy makes an exception to this rule for a student who finds a weapon on the way to school or discovers that he or she accidentally has a weapon in his or her possession. In order to fall under this exception, the student must **immediately** take the weapon to the Principal's office. If it is impractical or dangerous to take the weapon to the Principal's office, the student can, instead **immediately** turn over the weapon to an administrator, teacher, or head coach, or **immediately** notify the administrator, teacher, or head coach of the weapon's location.
- 8. The Discipline Policy specifically prohibits the use, possession, distribution, intent to distribute, making a request for, and being under the influence of, tobacco, tobacco-related devices, electronic cigarettes, tobacco paraphernalia, alcohol, narcotics, drugs, prescription drugs (other than your own prescription used in accordance with a doctor's order), or look-alike substances at school or in a school function.
 - This includes sharing prohibited substances with other students.
 - The District reserves the right to screen students and their guests for evidence of alcohol consumption at school-sponsored events. If there is reasonable suspicion, the District may also screen students for evidence of alcohol consumption during the school day.
- 9. Behavioral infractions, including those involving alcohol, drugs, or other controlled substances, may violate the Minnesota State High School League's rules. Violations of the League rules may result in penalties required or authorized by those rules, in addition to any school-based discipline. Students must remember that the League rules apply at all times, regardless of whether school is in session. If the District becomes aware of a violation of a High School League rule that took place outside of school, on a weekend, or over the summer, it may be required to impose penalties consistent with the High School League rules.
- 10. The District expects students to help maintain a safe and orderly learning environment not only by following District policies, but also by cooperating in any investigation and disciplinary proceedings related to violations by other students.

Student Acknowledgement Form

I hereby acknowledge that I have received and reviewed the White Bear Lake Area Schools Student Discipline Policy and Code of Student Conduct. I further acknowledge that I understand that my behavior is subject to the Student Discipline Policy and Code of Student Conduct and that I may be disciplined for violations of the Student Discipline Policy and Code of Student Conduct.

2025-2026 White Bear Lake Acceptable Use Policy

By signing this agreement, I accept and agree to abide by the White Bear Lake Area Schools' Electronic Technologies Acceptable Use Policy (found at: <https://www.isd624.org/about/district-policies/500-students/524>). I realize that the primary purpose of using School District electronic technologies is educational. I will limit my usage to educational purposes that further educational goals consistent with the mission and policies of the School District.

I understand that use of School District electronic technologies is a privilege, not a right. Access may be revoked at any time by the School District, as it sees fit. Inappropriate use will result in suspension or cancellation of use and/or access privileges; payments for damages and repairs; discipline under other appropriate School District policies, including suspension, expulsion, exclusion; or civil or criminal liability under other applicable laws.

I will not use School District electronic technologies to engage in any behavior that is illegal, inappropriate, destructive or harmful.

I recognize that, even though the School District uses technical means to limit student Internet access, these limits do not provide a foolproof means to prevent access to all inappropriate information. It is my responsibility to avoid such information and inform my teacher immediately if I access any inappropriate information, even accidentally.

I understand that my use of School District electronic technologies is not private and that all of my activity, transmissions, documents, posts etc., are subject to review and monitoring by School District personnel.

Also, should your student receive a public honor or recognition, the District would provide your child's school picture to the honoring organization and/or media upon request.

In addition, the White Bear Lake Area School District asks for your consent for the following purposes:

- During the school year, the media may visit your child's school, with school permission, to cover special events and may want to interview, videotape or photograph your child.
- The White Bear Lake Area School District and the District's educational partners may also wish to use your child's photograph, voice, likeness or student work for promotional and educational reasons, such as in publications, posters, brochures, newsletters and videos; on District and school websites; on local cable television channels; or at community events (e.g. Marketfest).

To give your consent, please sign and return this form, which will be kept on file at your child's school.

The 2025-26 Media Release Form is valid for photographs, voices, likenesses or student work recorded or created through September 2026. Thank you for your cooperation.

Dear Students and Parents:

In keeping with the partnership between Ramsey County Library and White Bear Lake Area Schools to support educational opportunities, we are offering a chance to all White Bear Lake Area School students to apply for Ramsey County Library Student Cards. This card can be used at both Ramsey County Library and White Bear Lake Area Schools media centers.

Any student with an existing Ramsey County Library card will continue to use that card. Existing library cards will be valid in the White Bear Lake Area Schools media centers. If your child already has a Ramsey County Library card (see examples pictured), you do not need to apply for a new card. Close this screen and move on to next form.

If your student has not received a library card, by signing this registration form they will receive a Ramsey County Library Student Access Card, allowing access to all Ramsey County Library services and materials, including digital resources like e-books, e-audio books, Homework Rescue, Lynda.com and a variety of research databases. All of these digital resources can be accessed through the Chromebooks distributed to students through White Bear Lake Area Schools and/or through a personal device.

By signing this registration form you also grant permission for White Bear Lake Area Schools to share the information in this form with Ramsey County Library for the purpose of setting up and maintaining a Ramsey County Library account.
