Elementary Spanish Dual Immersion Program

Enrolling kindergartners for 2025-26!

Starting in the Fall of 2025, Otter Lake Elementary and Matoska International will host an optional kindergarten Spanish Dual Immersion program.

Program participants will learn in a mix of English and Spanish, experiencing unique benefits such as:

- academic growth,
- enhanced language and cultural understanding,
- social and emotional development, &
- expanded future opportunities.

Families across the district will be able to choose this option during kindergarten registration. Transportation will be available to resident families throughout the district for students enrolled in this program.

Our Vision

Our global learners will thrive in a dynamic, bilingual, and biliterate environment that nurtures curiosity, values high academic achievement, embraces cultural heritage, fosters a love for learning, and collaborates with family and community to ensure success in a diverse, interconnected world.

Open House Options:

5-6:30 p.m.

Jan. 8 and Jan. 9

at Matoska International

(2530 Spruce Place, WBL)

and Otter Lake Elementary

(1401 County Rd H2, WBL)

At both sites, families will be able to:

- Tour the school
- Register their child in person. District staff members will be there to help. Families who wish to enroll in person should bring the following required documents if possible:
 - » registering student's proof of age
 - » registering student's vaccine records
 - » proof of address (ex: utility bill)
