Hey Parents,

Santa Store starts on Monday!

This special event allows students to shop for thoughtful gifts for their family members while experiencing the joy of giving.

Here's how it works:

- **Date:** December 16-18 (Please see schedule attached to the email)
- **Location:** Lagway Elementary-Library
- **What to Do:** Please send money with your child on the shopping day.

Our amazing PTO members will be on hand to help students shop and manage their budget. Each gift will be beautifully wrapped and ready to go under the tree, making this a stress-free and meaningful experience for everyone!

We hope this event brings a little extra holiday magic to your family. Thank you for your support!

Mrs. Wilder
