Offerory or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals; failure to do so will be at the offeror's own risk, and he or she cannot secure relief on plea of error. E. Purchases

2. SFA must check one of the purchasing options stated herein below [Note: SFA may not change the purchasing option once it has issued its RFP. Any change would be considered material and require SFA to either begin its procurement process again so that all bidders have the same opportunity or require SFA to pay CATERER using funds other than School Nutrition funds.]
 - a. SFA will do all purchasing for School Nutrition Program.
 - b. Except for Section O, Paragraph 2, SFA will do all purchasing for CNP.
 - c. For Fixed-Price Per Meal Contracts: CATERER will do all purchasing for CNP.

3. SFA and CATERER acknowledge that, to the extent required by 7 CFR § 250.23, SFA must, whenever possible, purchase only food products that are produced in the United States.
4. SFA and CATERER acknowledge that to the extent required by Texas Education Code § 44.042(a), unless preempted by federal law or regulations, SFA or CATERER, if box “c” has been checked in paragraph 3 herein above, shall purchase agricultural products produced, processed or grown in Texas if the cost and quality are equal.

The availability of Texas products is expected by SFA. The farm to school relationship should be enhanced, encouraged and supported by a vendor supplying goods to SFA. Therefore, SFA will always give preference to items that can be delivered within 24 hours of harvest or production. It is encouraged that the CATERER submit a list of locally grown, processed, and manufactured items available through them for consideration on a regular basis. The products must be labeled and a good faith effort put forward by CATERER to purchase local first when available. In keeping with our mission of establishing relationships, we advocate for a fair price to be paid to farmers to help make this important segment of our business sustainable.

F. USDA-Donated Foods

1. SFA shall retain title to all USDA-donated foods.
2. CATERER will conduct all activities relating to donated foods for which it is responsible in accordance with 7 CFR Parts 250, 210, 220, 225 and 226, applicable.
3. SFA shall assure that the maximum amount of USDA-donated foods are received and utilized by CATERER. {7 CFR § 210.9(b) (15)}
4. SFA shall ensure that CATERER has credited it for the value of all USDA-donated foods received for use in SFA’s meal service in the school year. {7 CFR § 250.15(a)}
5. SFA shall maintain responsibility for procuring processing agreements, private storage facilities, or any other aspect of financial management relating to commodities. (7 CFR § 250.15)
6. CATERER shall accept and use all donated ground beef products, and all processed end products, without substitution, in SFA’s Food Service Program. Upon termination of this Contract, CATERER must return all unused donated ground beef and processed end products to SFA. 7 CFR § 205.52(c)

7. CATERER further agrees to accept and use all other donated foods in SFA's food service. CATERER may use substituted commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the USDA-donated foods, in SFA's Food Service Program.
8. SFA shall consult with the CATERER in the selection of commodities; however, the final determination as to the acceptance of commodities must be made by the SFA.
9. Upon termination of this Contract, CATERER must, at SFA's discretion, return other unused USDA-donated foods to SFA. The value of other unused USDA-donated foods shall be based on the market value of all USDA-donated commodities received for use in SFA's food service. Market value shall be the value in USDA's Electronic Commodity Ordering System at the time the USDA-donated foods are received by SFA. {7 CFR § 250.51(a)}
10. CATERER is prohibited from entering into any processing contracts utilizing USDA-donated foods on behalf of the SFA. CATERER agrees that any procurement of end products by CATERER on behalf of SFA will be in compliance with the requirements in subpart C of 7 CFR Part 250 and with the provisions of SFA's processing agreements. CATERER shall credit SFA for the value of USDA-donated foods contained at the processing agreement value. All refunds received from processors must be credited to SFA's Nonprofit School Food Service Account. {7 CFR § 250.51 (a)}
11. CATERER shall accept liability for any negligence on its part that results in any loss of, improper use of, or damage to USDA-donated foods.
12. CATERER shall credit SFA for the value of all USDA-donated foods received for the use in SFA's meal service in the school year, including both entitlement and bonus foods, and including the value of USDA-donated foods contained in processed end products. The manner in which CATERER shall account for the value of USDA-donated foods is (7 CFR § 250.51):
 - Fixed meal rate: CATERER must subtract from SFA's monthly bill/invoice the market value of all USDA-donated commodities received for use in SFA's food service. The market value is based on the value in USDA's Electronic Commodity Ordering System at the time the USDA-donated foods are received by the SFA.
13. CATERER prohibited from cashing out USDA-donated foods and providing a credit to SFA for USDA-donated foods. {7 CFR § 250.13}
14. CATERER will comply with 7 CFR § 250 concerning storage and inventory management of USDA-donated foods. CATERER will maintain accurate and complete records with respect to

the receipt, use/disposition, storage, and inventory of USDA-donated foods. Failure by CATERER to maintain the required records under this Contract shall be considered prima facie evidence of improper distribution or loss of USDA-donated foods.

15. CATERER shall allow SFA and/or any state or federal representative or auditor, including the Comptroller General and USDA, or their duly authorized representatives, to perform onsite reviews of CATERER's food service operation, including the review of records, to ensure compliance with requirements for the management and use of USDA-donated foods. {7 CFR § 250.53(a) (10)}
16. CATERER shall maintain records to document its compliance with requirements relations to USDA-donated foods in accordance with 7 CFR § 250.54(b). {7 CFR § 250.53(a) (11)}
17. In a Fixed-meal rate contract, the bid rate per meal must be calculated as if no USDA-donated commodities were available.
18. CATERER acknowledges that renewal of this Contract is contingent upon the fulfillment of all contract provisions herein relating to USDA-donated foods. (7 CFR § 250.53(a) (12)}

G. Employees

1. SFA intends to provide all employees to prepare and serve food and CATERER shall provide and pay staff to deliver food to the SFA's campuses. SFA will provide individuals to complete POS. CATERER will be asked to provide a rate for employees, in case needed.
2. CATERER shall provide Worker's Compensation coverage for its employees, as required by law.
3. CATERER shall instruct its employees to abide by the policies, rules, and regulations with respect to use of SFA's premises as established by SFA and which are furnished in writing to CATERER.
4. CATERER will remove any employee who violates health requirements or conducts himself or herself in a manner that is detrimental to the well-being of the students, provided such request is not in violation of any federal, state or local employment laws. In the event of the removal or suspension of any such employee, CATERER shall immediately restructure the food service staff to avoid disruption of service.
5. CATERER shall cause all of its employees assigned to duty on SFA's premises to submit to

health examinations as required by law, and shall submit satisfactory evidence of compliance with all health regulations to SFA upon request.

CATERER shall not blacklist or require a letter relinquishment or publish or cause to be published or blacklisted any employee of CATERER or SFA discharged from or voluntarily leaving the service of CATERER or SFA with intent of and for the purpose of preventing such employee from engaging in securing or other employment from any other corporation, company or individual.

H. Use of Facilities, Inventory, Equipment, and Storage

1. SFA will make available, without any cost or charge to CATERER, area(s) of the premises in which CATERER shall render its services. SFA shall have full access to the food service facilities at all times and for any reason, including inspection and audit.
2. At the commencement, termination or expiration of this Contract, CATERER and SFA shall take a physical inventory of all non-expendable supplies and capital equipment owned by SFA, including but not limited to, silverware, trays, chinaware, glassware and kitchen utensils and all furniture, fixtures, and dining room equipment utilized in SFA's Food Service Program. CATERER and SFA shall mutually agree on the usability of such supplies and equipment and, at the expiration or termination of this Contract, CATERER shall surrender to SFA all non-expendable supplies and capital equipment in the condition in which it was received except for ordinary wear and tear, damage by the elements and except to the extent that said premises or equipment may have been lost or damaged by vandalism, fire, flood or other acts of God, or theft by persons other than employees of CATERER except through the negligence of CATERER or its employees, or for any other reason beyond the control of CATERER. CATERER and SFA will sign a summary of the

beginning inventory at the commencement and at the expiration or termination of this Contract and keep a copy of each on file with this Contract.

3. At the commencement and at the expiration or termination of this Contract, CATERER and SFA shall jointly undertake a beginning and closing inventory of all supplies. Commodities shall also be inventoried by a separate inventory. CATERER and SFA shall determine whether any portion of the beginning inventory is not suitable for SFA's continued use. Such inventory, when completed, shall become a part of this Contract by incorporation. CATERER shall be responsible for accounting for any difference between the beginning inventory and the ending inventory and shall compensate SFA for any shortfall in inventory not arising from: (1) normal wear and tear; or (2) theft, fire or other casualty loss beyond the control of CATERER and not arising from the negligence of CATERER or its agents. The value of the inventories, except for commodities inventories, shall be determined by invoice cost. The value of commodities shall be the market value, which is the value in USDA's Electronic Commodity Ordering System (ECOS) at the time the USDA-donated foods are received by SFA.
4. During the course of this Contract, title to all SFA food and supplies shall remain in SFA.
5. CATERER shall maintain the inventory of silverware, chinaware, kitchen utensils and other
6. operating items necessary for the food service operation and at the inventory level as specified by SFA.
7. SFA will replace expendable equipment and replace, repair and maintain nonexpendable equipment except when damages result from the use of less than reasonable care by the employees of CATERER.
8. CATERER shall maintain adequate storage procedures, inventory and control of USDA-donated foods in conformance with SFA's agreement with TDA.
9. CATERER shall provide SFA with keys for all food service areas secured with locks.
10. SFA shall provide CATERER with local telephone service.
11. SFA shall provide water, gas and electric service for the food service program.
12. SFA shall furnish and install any equipment and/or make any structural changes to the facilities needed to comply with federal, state, or local laws, ordinances, rules and regulations.
13. SFA shall be responsible for any losses, including USDA-donated foods, which may arise due to equipment malfunction or loss of electrical power not within the control of

CATERER.

15. SFA shall not be responsible for loss or damage to equipment owned by CATERER and located on SFA premises.
16. CATERER shall notify SFA of any equipment belonging to CATERER on SFA premises within ten days of its placement on SFA premises.
17. CATERER shall comply with all SFA building rules and regulations.
18. CATERER shall not use SFA's facilities to produce food, meals or services for third parties without the approval of SFA. If such usage is mutually acceptable, there shall be a signed agreement that stipulates the fees to be paid by CATERER to SFA for such facility usage. Such usage may not result in a cost to the Non-profit Food Service Account.
19. SFA, on the termination or expiration of this Contract, shall conduct a physical inventory of all equipment, food and supplies owned by SFA.
20. Upon termination of this Contract, CATERER shall surrender to SFA all of SFA's equipment and furnishings used in SFA's Food Service Program in good repair and condition, reasonable wear and tear excepted.
