Board Memo for the Period Ending November 30, 2024

Rolling Report

- Reflection of the budget vs actual.
 - Revenue running in line with projections
 - Expenses running under projections
 - \$130k to the good for the month
 - Deficit is \$900k less than planned through the first five months
 - down \$2.1 million rather than \$3 million
- Encumbrances have moved slightly lower
- Outstanding invoices are beginning to increase
- Biggest change is the addition of the “outlook” for each line item
 - outlook is more in line with the plan as opposed to the actual

Board Report

- This continues to be a more detailed recap of the rolling report.
 - Revenue came in at \$4.5 million
 - foundation dollars have leveled out
 - Expenditures came in at \$4.4 million
 - we continue to run under projections as we have all year

District/County

- There are a number of items on this agenda
- Intentional spend down of dollars based on allowable parameters
- Dollars that were not spent in prior years have and will be used for other county-wide initiatives

Investments

- We still have just one CD on the books
- Sitting at \$2.4 million

All Other Funds

- Final invoices.
 - Most of our FERs have been paid

Three-Year Comparison

- Steady increases in revenue
- Expenses are trending higher as the cost of doing business increases

Final Notes

- Revenue will remain flat with our only real deviations will be in those quarterly months in which we bill (January and April) and again in June with final reconciliation.
- Expenses are within range as we look towards year end. However, I do anticipate these coming in under budget.
- Receipts have exceeded expenses for two months in a row and we should see the same in December. January will be the next and final month with expenses exceeding revenue due to a three-pay month. From there, we will continue to climb out with us flipping back positive sometime in early Q4.
- Overall, we are looking to land right at our target margin for the year.
