

Keene High School 2024-2025

Campus Improvement Plan

Keene ISD does not discriminate on the basis of race, religion, color, national origin, sex, age, or disability in providing education services, activities, and programs, including vocational program, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

Keene High School Needs Assessment

The Campus Improvement Plan for the 2023-2024 school year was developed by the SBDM, Department heads, and campus wide sub-committees. The subcommittees collected data in the following areas: academic achievement, technology, safety and student discipline, faculty and staff, special programs, EOC and other assessments, and CTE programs. Committee members collected information from teachers, counselors, administrators, State Accountability reports, parents, community members and students. Once the information was culminated the committee concluded the following:

Keene High School Comprehensive Needs Analysis 2023-2024

A. Academic Performance

Campus Strengths

- Met campus standards in all areas.

Student Performance Needs

- Teachers continue staff development and data analysis regarding EOC/TELPAS to help accelerate the instruction of our at-risk population.
- Teachers continue staff development and data analysis regarding EOC/TELPAS to help accelerate the instruction of our ELL and SPED populations.
- Continue implementation of the three-tiered intervention model to accelerate students that are below grade level and to decrease special education referrals.
- Address areas of weakness with Language Arts EOC testing.
- Address areas of weaknesses by group performance through data analysis – LEP, economically disadvantaged, Asian Pacific Islander, African American and special education.
 - Address college readiness including endorsements, dual credit enrollment and TSI/ACT/SAT performance for all subgroups.

Funding Strengths

- KHS uses local, state, and federal funding to reduce class sizes and provide additional supplemental, research-based instruction to raise student achievement campus-wide in math, science, reading/ELA, and writing.

Funding Needs

- Campus committees will plan and document funding uses and sources in campus improvement plans, including SCE, Federal, and CTE monies.

B. Attendance

Attendance Needs

- Attendance drives school funding. Our average daily attendance was 94.36% in 2023-24 as opposed to 92.68% the year before.

- Continue to evaluate the effectiveness of attendance incentives.
- Continue to engage parents as partners in school attendance.
- Continue to use attendance personnel to enforce state attendance laws.
- Truancy processes reinstated

Curriculum Strengths

KHS uses a wide variety of research-based programs, structures, and strategies to meet the needs of a diverse student population. A campus-wide benchmarking system of common assessments will continue using DMAC software to help teachers disaggregate and adjust curriculum to identified student needs and will implement the Lead4Ward, TEKS Resource and other assessment tools to create authentic assessment aligned with state standards.

Curriculum Needs

- Continue horizontal and vertical alignment of campus curriculum.
- Address advanced and accelerated curriculum in lesson planning documents to meet the needs of all student groups including at risk, ELL, and gifted and talented.
- Continue full inclusion with special education teachers co-teaching in the content

C. Technology

Technology Strengths

KHS has a solid infrastructure for technology. In addition, a variety of media is being utilized district wide to communicate, interact, and collaborate including email, websites, webcasts, social media, Google Suite and curriculum based interactive programs.

Technology Needs

- Use of DMAC and other data sources to disaggregate testing data, complete personal graduation plans, and create assessments.
- Increase staff development opportunities focused on technology in the classroom. Continue striving for new and better forms of communication with stakeholders.
- Student involvement in planning of technology needs

D. Safe Environment

Safe and Healthy Environment Strengths

- Teachers and staff, under the leadership of the special programs director, school nurse, and food services supervisor, will continue implementation of the District Wellness Plan through the District's School Health Advisory Council (SHAC).
- Activities and curriculum will be established that will increase student, school staff, parental, and community awareness of nutrition and physical activities to promote lifelong wellness.
- Continue increasing and updating camera security systems on campus.
- Continue drug, alcohol, and tobacco awareness programs.
- Continue programs such as Child Advocacy Center presentation, Next Step, and StopIt.
- Continue emergency drills and SRP drills.
- Maintain vape detection sensors in restrooms.

E. Parental/Family & Community Engagement

Parental/Family & Community Engagement Strengths

KHS encourages strong parental/family member engagement. Google Classroom allows for daily communication with parents/family members plus the ability to private message parents-family members and/or teachers. Classroom phone capability with voice mail continues to be a valuable tool for increased communication. KHS continues to use Parent/Student/School Compacts for all students.

Parental/Family & Community Engagement Needs

- Consider ways to increase effective communication to parents-family/community of state accountability standards.
- Consider additional ways to effectively involve parents/family members in the expectations and learning of their children, especially with non-English speaking parents/family members who are not bilingual.
- Continue researching ways to increase communication to parents/family members concerning higher education applications and financial opportunities.

F. Staff development

Staff Development Strengths

KISD teachers are surveyed by the curriculum department yearly for staff development preferences, which indicated a need and emphasis accommodating the needs of LEP students, student centered instruction and student-centered technology. Keene ISD continues to contract with ESC 11 to provide additional staff development for teachers and administrators. In addition, KHS makes every effort to recruit and retain highly effective teachers.

Staff Development Needs

- Continue efforts to ensure that 100% of all core academic subject areas teachers are highly effective.
- Continue to assist teachers in maintaining or attaining certification through alternative programs, GT, ESL, and coursework.
- Continue efforts to provide teacher requested professional development as determined by district staff development needs surveys and program evaluations.
- Continue staff development concerning state accountability requirements.
- Increase staff development concerning strategies to effectively accelerate the learning of all at risk students including English language learners (ELL), special education students, and economically disadvantaged students.

G. Post-Secondary

Post-Secondary Strengths

KHS continues to offer open enrollment for all honors, dual credit and AP courses. In addition, KHS continues to pay tuition for dual enrollment, vocational and college courses.

Post-Secondary Needs

- Increase the number of students taking SAT/ACT/ TSI and earning satisfactory scores.
- Prepare all students entering high school to graduate with a distinguished diploma with an

endorsement.

- Continue to provide college/vocational information and informed curriculum choices to grades 9-12 students and parents including financial information to encourage post-secondary education.
- Continue to expand the number of students taking technical classes at Hill College and SWAU.
- Edmentum for credit recovery and accelerated high school graduation.

H. Retention

Teachers who return to KHS for another school year receive be placed on the longevity stipend schedule. KLLA (Keene Little Leaders Academy) is open to provide daycare for staff at a competitive rate to encourage retention of staff.
