

Statement of Intent

Student's Commitment

By signing this statement of intent, I commit to earning a minimum of 14 Honors Units throughout my high school career, with a minimum of 3 units completed yearly. Each Honors, Semester AP, or Dual Credit class counts as 1 Honor Unit, and a yearlong Advanced Placement or Dual Enrollment class counts as 1.5 Honors Units. Bartlett Honors Academy members must also maintain a weighted 3.5 GPA or higher. I understand that if my grades fall below this mandate, I will be dismissed from the Bartlett City Schools Honors Academy.

I understand that I must complete twelve (12) hours of community service each school year and the Senior Project of Impact by the end of my senior year. The Project of Impact serves as a culminating project centered around an elective focus and community-based project. It includes research, writing, and presentation components to showcase each senior's unique focus and strengths. All project tasks must be completed to fulfill this requirement.

As a student accepted into the Bartlett City Schools Honors Academy, I recognize the unique opportunity I have been given. This is a privilege few Panthers have the chance to experience. I am expected to demonstrate exceptional behavior and meet a higher standard of conduct than other students; infractions will not be tolerated.

Finally, I commit to attending mandatory meetings addressing the benefits and requirements of the Bartlett Honors Academy program.

Parent's Commitment

As a parent, I understand that my child's acceptance into the Bartlett Honors Academy program is a significant achievement. Their continued participation depends upon meeting academic and behavioral expectations, completing community service hours, and the Project of Impact. I also understand this program requires students to learn to be advocates for themselves and leaders of their community. Therefore, I commit to supporting my child in learning these essential skills by encouraging them to fulfill the requirements, including communicating with the Honors Academy Coordinator, Faculty Mentors, and other relevant participants.
