Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding. LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

The LEA must address the Strategy and Alignment prompts provided on the following page.

Each provision for each program must be addressed unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources;** however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

This template is designed to be used by LEAs who already have completed their LCAP Federal Addendum and received approval from CDE. This template will support LEAs with the review of their LCAP Federal Addendum and revision.

The review and revision of the LCAP Federal Addendum do not need to be submitted to CDE for approval. However, an LEA should have their local Board approve any revisions.

Even if the LEA plans to transfer all of its title funds, it must still address all of the provisions of the title from which it is transferring its funds. The LEA must first meet the application requirements of those funds before it can elect to transfer those funds to another title.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Saratoga Union School District's strategy for using federal funds (Titles 1, 2, 3, and 4) to supplement and enhance local priorities or initiatives funded with the general fund is to enhance the educational program for all students by providing high-quality, standards-aligned instruction and instructional materials, as well as relevant professional development for all staff.

Specifically:

* Title 1 Part A funds are used to provide a portion of an FTE of an intervention/ELD designated teacher who provides reading intervention support for English learners and students who are reading below grade level (LCAP Goal 1);

* Title 2 Part A funds are used to provide professional development and teacher support for all staff, which includes differentiated professional development, structured collaboration, and coaching focused on standards-based, data-driven instruction differentiated to meet the needs of all students (LCAP Goal 1); and

* Title 3 (Immigrant and Limited English Proficient) funds are used to ensure that all classroom teachers provide Designated and Integrated English Language Development (ELD) instruction to English learners in their classrooms throughout the school day as required by state and federal law (LCAP Goal 1)

Title 4 Part A funds are used to provide students with a well-rounded education including social-emotional learning, Project Cornerstone

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

Saratoga Union School District will align federal funds with activities funded by the general fund and across different federal grant programs by continuing our frequent collaboration among stakeholders and between departments. Additionally, we will analyze student performance data to ensure that all funds are targeted to address the needs of students. SUSD will continue to allocate federal funds according to the criteria set forth by the federal government:

* Title 1 Part A: to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging State academic achievement standards and State academic assessments;

* Title 2 Part A: to provide high-quality professional development includes activities that improve and increase teachers' knowledge of the academic subjects the teachers teach; and

* Title 3 (Immigrant and Limited English Proficient): to ensure that English learners, including immigrant children and youth, attain English proficiency and develop high levels of academic attainment in English and to assist all English learners, including immigrant children and youth, to achieve at high levels in academic subjects so that all English learners can meet the same challenging State academic standards that all children are expected to meet; and to promote parental, family, and community participation in language instruction educational programs for the parents, families, and communities of English learners.

*Title 4 Part A: to improve students' academic achievement by increasing school district capacity to provide all students with access to a well-rounded education.

ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP, it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within this addendum**.

As previously stated, the CDE emphasizes that the LCAP Federal Addendum should not drive LCAP development. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP** development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. Educator Equity

ESSA SECTION 1112(b)(2) – *Not Applicable to Charters and Single School Districts.*

Describe how the LEA will identify and address, as required under State plans as described in Section 1111(g)(1)(B), any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

 - b. Number of minority students
2. Does the LEA have an educator equity gap –
 - a. If yes, must create a plan which must include root cause analysis of the disparity
 - b. A plan must be created with meaningful educational partner engagement.

Educator Equity Data Tables available [here](#).

THIS ESSA PROVISION IS ADDRESSED BELOW:

This is not an issue in our district because all of our teachers are fully credentialed in all subject areas and all of our teachers receive ongoing professional development, including time for collaboration and coaching, to continue to build on their extensive teaching experience. The average teaching experience of teachers in our district is over 10 years.

If any disparities became evident that resulted in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers, SUSD would provide mentors, instructional coaches, and additional professional development.

On November 6, 2019, the SBE approved updated definitions for “ineffective” and “out-of-field” teachers to be included in the amended California ESSA Consolidated State Plan.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Saratoga Union School District (SUSD) has a very involved and dedicated parent community. Many parents generously contribute their valuable time, energy, and financial resources to our district to provide a stellar learning environment for our students. Our partnership with parents and the community translates into enriching learning opportunities and activities that set our district apart. The richness of the programs in the Saratoga Union School District (SUSD) is made possible by the strong partnership between the schools, parents, and the community at large.

The structure for parent involvement includes committees at both the district and site levels comprised of a cross-section of parents representing English learners, students with disabilities, low-income families, and all students. The committees also include stakeholders from the certificated and classified bargaining units and site and district administrators.

Our District and school sites provide authentic processes to include input from all stakeholders and offer opportunities for family engagement. Our comprehensive and strategic district communication plan ensures effective and frequent communication with families through a variety of media, provides positive communication forums to inform parents of SUSD's successes and failures, and fosters partnerships between home and school.

Each school has an active Parent Advisory Committee, comprised of parents and staff, whose purpose is to develop and monitor goals to meet the needs of students and the school community.

Each school has an English Advisory Committee, comprised of parents of English learners and staff, whose purpose is to develop and monitor goals to ensure students reach English proficiency.

We also seek to promote parent involvement in their children's learning by providing opportunities for parents to learn about Common Core State Standards (CCSS) instruction and how to support their children with homework, as well as parent workshops and guest speaker presentations, which focus on curriculum, social-emotional and parenting issues. We will continue to reach out to parents representing English learners, students with disabilities, low-income families, and all students to participate in these opportunities.

We will build on these sessions and add new sessions based on parent input and district goals.

We will continue to provide opportunities for all parents to attend informational meetings about district business and participate in the decision-making process by providing input and feedback.

We continue to evaluate our parent involvement activities' effectiveness by tracking attendance, parent surveys, and other parent feedback and improving our programs and offerings based on the feedback.

6. Please explain how often the LEA meaningfully consults with these educational partners.

Annual assessment data are reviewed and analyzed by Saratoga Union School District (SUSD) administrators, teachers, and the Board of Trustees. The data include suspension and expulsion data; California Assessment of Student Performance and Progress (CAASPP) assessment results comprised of California Standards Test in Science (CST), California Alternate Performance Assessment (CAPA), and Smarter Balanced Assessment Consortium SBAC); California Language Proficiency Assessment for California (ELPAC) data; iReady for math and English language arts; English Learner (EL) reclassification trends; parent/student survey results; and local assessment measures of student progress, i.e., writing, reading, and math performance assessments. (Refer to Local Control and Accountability Plan (LCAP) Data Dashboard in the Appendix) Local Control and Accountability Plan (LCAP) Goals are written and revised to reflect the district's needs with input from the Saratoga Union School District (SUSD) Board of Trustees and District and Site Leadership. The data analysis and District goals are presented to the Parent Advisory Committees (PAC), the District English Learner Advisory Committee (DELAC)), and school-level English Advisory Committees (ELAC). Parents provide input when determining priorities to align goals with site and district action plans.

Teachers, professional staff, and classified staff participate in differentiated professional development, structured collaboration, and coaching focused on standards-based, data-driven instruction differentiated to meet the needs of all students.

The District Learning Team (DLT) and site Teacher Leaders, composed of teachers and administrators, collect data regarding District PD needs and provide input on District PD choices.

TK-5 teachers administer pre-and post- curriculum-based assessments, receive training on uploading assessment results to a district site, and participate in PD collaboration sessions to analyze data, plan instruction, and provide timely feedback to students. Teachers will receive coaching on differentiation and data-driven instruction.

Principals and teachers track and monitor the academic performance data of these student groups to provide differentiated support as necessary to improve their performance. Educators and parents participate in SST meetings and parent conferences to collaborate together.

Saratoga Union School District (SUSD) teachers and administrators identify and use effective Common Core State Standards (CCSS) and Next Generation Science Standards (NGSS) diagnostic, formative, and interim assessment tools. These data will inform targeted instruction. In grades 5, 6, and 7, students will take a multiple-measures placement/diagnostic math assessment to inform their placement in middle school math courses (LCAP Goal 1).
