

Every Day Matters!

NEW YEAR, FRESH START IN 2025!

**Let's make every day count this year,
because Every Day Matters for your
child's future!**

2025 is here! Start the year strong by being "On Time, In School, Every Day." Students who attend regularly perform better in school. Develop backup plans for getting to school, even when things don't go as planned—call on a family member, neighbor, or another parent if needed.
