Strategy of the Month

Using reading intervention strategies that work can be the difference in helping our unique readers learn to read.

Phonemic Awareness

Play the normal “I Spy” game but instead of using a color as a clue, use different reading skills! For example... I spy something that starts with the sound /b/ I spy something that ends in the sound /g/ I spy something that rhymes with the word “hike” I spy something that has 3 syllables.

Sight Words to Know

Kindergarten: to, no, the, I, a

First: for, get, gone, no, to, am

Second: red, orange, black, purple, brown, white, green, pink, yellow

Third: color, about, also, everyone, know, love, laugh, across, afraid

Tips for Parents

- ❖ Invite a child to read with you everyday.
- ❖ Read a child’s favorite book over and over again.
- ❖ Read many stories with rhyming words and lines that repeat.
- ❖ Discuss new words.

It’s important to understand that every child has their own unique set of needs and preferred learning style!
