

SHAC AGENDA 12/16/2024 (MEETING 2)

Location: Teachers workroom

Date: December 16, 2024

Time: 9:00am

Facilitator: SHAC Committee

Agenda Items

Cafeteria Update: No updates at this time

Immunization As of now the immunization process is now complete. Information was uploaded into Ascender and submitted to the DSHS. NCCISD is at 100% compliance.

Hearing and vision All screenings, rescreens and referrals are completed. We had a total of 3 referrals on the elementary campus. The final results will be submitted in the spring after spinal and Acanthosis.

New medication The new policy is going well as to medical administration. We have a few standing orders in reference mainly to our asthma protocols.

Amanda Griffin with CHDI will be scheduling something for the Dental screenings in the Spring. More details to follow.

Big Decisions Class for myself was completed on December 13th and I was provided with a certification to facilitate the Sex Education course as taught in BIG DECISIONS. Is discussion with today's SHAC meeting a committee involving parents and staff with be formed to discuss the format of the curriculum in our Sex Education class.

Later details to follow after committee is formed and guidelines and written.

Senior CPR/AED Scheduled for Tuesday December 17th during Panther Time

Add additional instructions or comments here.

Fall Updates:

We discussed the school attendance trip and that 47 students and 6 adults would be attending at this time. Also the annual Christmas Concert is scheduled for 6 pm on Thursday December 19th, 2024.

Amanda Griffin with CHDI discussed with us the support she would offer if we needed help with resources in a Nature Based outreach program.

Discussed the need for immunization assistance possibly before school begins or during Pre Kinder round up. As well as later details on Sports Physicals in the Spring Semester.
