Liberty Common High School Graduation Requirements
Class of 2028 and beyond

Students must earn a minimum of 240 credits to graduate. These required credits are spread among departments and subject areas as outlined in the chart below. Students must satisfy every line item in the chart to be eligible for graduation. See the Student-Parent Handbook for information about how transfer credits will apply to these requirements.

Adaptations to graduation requirements are rare and generally reserved only for students on a legally defined Individual Education Plan. Such adaptations must be approved by the high school principal.

Credit Benchmarks:
Sophomore= 60 credits
Junior= 120 credits
Senior= 180 credits

Math
Students must be through a minimum of Algebra 2 to be eligible for graduation.

A math course must be taken each year during high school.

**Foreign Language*
Students who complete Latin 2 at Liberty in 8th grade will have met the high school graduation requirement in Latin.

All students need to earn a minimum of 20 foreign language credits in the same language during high school (grades 9–12).

Science or Engineering Elective(s)
The science elective requirement may be fulfilled by the following: any science-elective course, any engineering-elective course, Intro to Programming, or AP Computer Science.

Elective Credits
Elective credits may be earned by additional coursework in any academic department or discipline.
