2024-2025 Financial Aid Application Nonparticipation Form

What is this form?

The Free Application for Federal Student Aid (FAFSA) is the online application that allows a student to apply simultaneously for federal student aid (including the Pull Grant, work-study opportunities, and student loans) and the Illinois Monetary Award Program (IMAP) Grant. Many colleges and universities use it for their aid programs, too. The Alternative Application for Illinois Financial Aid is a similar application that provides a path for some students who ...

1 To receive a diploma from a public high school in Illinois a student must complete the Free Application for Federal Student Aid (FAFSA) or, if applicable, the Alternative Application for Illinois Financial Aid. Local school district staff must provide support and assistance to students and parents/guardians in the application process. Additional assistance with completing an application is available from the Illinois Student Assistance Commission by visiting studentportal.isac.org/isacorps.

2 Alternatively, a parent/guardian must file a waiver if they choose to opt their child out of this graduation requirement by completing this Nonparticipation form. Students who are at least 18 years of age or legally emancipated may complete the form themselves. **If you are an emancipated minor, you will need to complete the paper nonparticipation form which can be requested by emailing fafsa@isbe.net.** If you wish to opt yourself or your student out of completing a financial aid application, please complete this form by the dates established at your local school district to ensure compliance with this graduation requirement.
