Project type: Education

Project causes: Congregation, Camps/Outdoor Ministries/Retreat Centers

Project description: Illume Lutheran Church in Seattle, Washington, will be distributing Valentine's Day bags of love for underprivileged children in connection with a local public school. Learning from another WELS Church's program, Illume Lutheran Church is eager to help serve families in need in their community. They are hoping this act of love will make connections with these families to better serve them physically and spiritually. Illume Lutheran Church has a new pastor who is leading the congregation into a focus of impacting their community. Along with advertising, gathering and delivering the food received, our team of volunteers will be doing yard clean up and landscaping work for elderly community members.
