

Putting off surgery? There's something you should know.

During the early days of the pandemic, many hospitals had to pause elective surgeries due to COVID.

Today, COVID continues to challenge hospitals, now faced with staffing issues. Patients rescheduling tests and procedures **have led to extremely long wait times for surgery**. To beat this backlog and avoid the consequences of waiting, start the process as soon as possible.

If you're ready to prioritize your health, we can't wait to help. Carrum Health is a surgery and medical benefit that provides you and your eligible family members access to some of the top surgeons in the country at little to no cost.*

Sometimes surgery may not be the best answer. If you or your eligible family member has received a recommendation for surgery, this benefit provides a free second opinion from one of the top surgeons in the country. Many consultations can even be conducted virtually.
