

**Project date:** Monday, June 9, 2025

**Project name:** Kids Science Camp & Service Project Work

**Project type:** Education

**Project causes:** Congregation, Camps/Outdoor Ministries/Retreat Centers

**Project description:** Rock of Ages Lutheran Church in Madison, Tennessee (just outside of Nashville) will be leading a FREE science focused youth camp. The public education in the area is not doing as well as parents would like, and science is one of those struggles. Rock of Ages is looking to serve the families in their area who are in need and so they are organizing this science camp. They are hoping this act of love will make connections with these families to better serve them physically and spiritually. Along with advertising, gathering the needed science materials and purchasing the snacks for this science camp, our team of volunteers will be doing yard clean up and landscaping work for elderly or injured community members.

**Leader Involvement/Leader Involvement Other:**

**Church:** Rock of Ages Lutheran Church  
741 Campbell Rd, Madison, TN 37115

**Organization:** Rock of Ages Lutheran Church  
741 Campbell Rd, Madison, TN 37115

**Amount selected: Seed money usage:** The \$250 Community impact card will help defray the cost of advertising and running the Science Youth Camp program. Funds will also be used to help cover the cost of completing yard cleanup and landscaping work.

PLEASE NOTE: If you are submitting multiple applications for Thrivent Action Team grants on behalf of your family, please use a different project date for each application. This isn't a problem since we will be working for this event from June 7-14.
