

Summary of Math Adoption Committee Meeting 2

The secondary math materials adoption committee met on December 5, 2024, from 8:00-3:00. All members were present for the meeting.

Meeting Highlights:

- Discussed foundational research
- Learned about the current elementary math program
- Examined math content and practice standards across all grade levels
- Revised list of interests that will be used to evaluate materials

The next meeting is scheduled for February 5, 2025.

Nyla Fritz, Director of Secondary Teaching & Learning and CTE

Wendy Robards, Secondary Math Specialist
