

Dear Veteran,

The best way to start this letter, I think, is thank you. Your service and sacrifice are the foundation of the freedoms we know today, and for that, we are eternally grateful. The dedication and bravery you have shown in serving our country is truly admirable, and does not go unnoticed. Your commitment to protecting our freedoms and ensuring our safety, the safety of those who are only strangers, is something I hold in the highest regard. Your courage serves as an inspiration to us all, showing the true meaning of selflessness and patriotism. But your impact extends far beyond your service. Veterans like you continue to strengthen our nation in countless ways, whether it's by leadership in your community, mentorship to younger generations, or simply share your story to inspire those around you. Your experience, wisdom, and dedication continue to inspire and shape the future of our nation, reminding us that your impact doesn't end when your service is done. We are a stronger, better nation because of you.

With care,

Helena
