### School Wide PBIS Celebration

On Thursday, December 19th, students participated in a school wide PBIS Celebration. During this celebration students were able to choose activities to do with their buddy class! Students could choose legos, crafts, board games, STEM activities and a stuff the snowman activity! What a fun way to celebrate students being respectful, responsible and safe at Roosevelt!!

### Fall Family Night Survey

26 families participated in our fall family night survey! Our survey results are as follows: 100% of families enjoyed the family night, as well as 100% would attend future family nights. 88% of families knew the Roosevelt Way was to be respectful, responsible, and safe. 62% of families knew what a golden feather is.

### Outside Line Expectations

The two times you will line up outside are before school and at recess. Before school, you line up right when you arrive. When you are at recess, you line up as soon as the supervisor blows the whistle. This should be done quickly!

Make sure to:

- Stay in your line
- Keep your hands to yourself
- Eyes forward & paying attention
- Stay at a level zero

### Social Skills Theme

The December Social Skills lesson outlined how students can value one another. Lessons included how diversity and being different add value to

our lives and make life interesting. Students also learned about being inclusive and how to look for characteristics in a friend while developing their friendships.

## *Student of the Month*

*Congratulations to the following students who earned student of the month honors for November! They modeled the Roosevelt Way by being respectful, responsible, and safe. They receive a certificate and a prize. Their pictures are posted on the bulletin board near the media center for the month.*

*Way to go Mia, Jaxon, Olivia X, Ellie, Zaiden, Caroline, Jayce, Charlie H, Milani, Marques, Aime, and Aiden M!*

## **Expectation Acknowledgement**

**Feathers** are given when a whole class follows the **Roosevelt Way** by being respectful, responsible, and safe. The class with the most feathers for the month gets to have the Golden Roadrunner outside their door, along with a reward like an extra recess or a special event day.

*Golden Roadrunner for November: Ms. Wisnefske's 5th grade class!*
