KINDERGARTENERS TO DECORATE GINGERBREAD HOUSES WITH HELP OF FAMILY GUESTS

Eagles Elementary School's kindergarteners have plenty of practice with Legos and Lincoln Logs, but now it's time to put their engineering and architectural skills to the ultimate tasty test.

- WHAT:** Gingerbread House Decorating
WHEN: **Thursday, December 12 and Friday, December 13 (see schedule below)**
WHERE: Eagles Elementary School, 3502 University Drive South, Fargo
CONTACT: **Dr. Jennifer Jung**, Eagles Principal, jungj2@fargo.k12.nd.us or 701.446.3900 for more information.

Eagles Elementary School's three kindergarten classrooms have invited the families of their students to help them decorate gingerbread houses this Thursday and Friday.

With the help of their family members, the kindergarteners will take on the role of exterior home designers. Instead of paint and rollers, the students and their companions will make and decorate their gingerbread homes with frosting and candies.

This activity is an opportunity to create a family memory, as well as a time for the students to practice and show off skills they have developed this school year.
