COLONELS FOREVER

1988

VOLUME XXV

WHITLEY COUNTY HIGH SCHOOL  
WILLIAMSBURG, KENTUCKY

After 25 years the Colonel tradition, spirit, and memories, are here to stay. We've all made memories, separately and together. Whether it was a favorite class, a victorious ballgame, an outrageous dance, a musical or athletic competition, or maybe even the blast we had on spring break, we had our fun, no matter what it took. These memories will last forever!!!

The year started out new for everyone but with a little cooperation everything worked out right. Though it took a while, we've all adjusted to our new privileges, including: shorter classes, pep rallies, cleaner hallways, and lockers, and everyone's favorite — BREAK!!!

We've done our best to capture the year gone by and placed within the pages of this book the memories which have made us all,

COLONELS FOREVER!!!

# Seniors Looking Back . . . Looking Forward.

As the 25th graduating class of Whitley County High School, we are proud to be known as the class of '88. We look forward to our futures and appreciate the traditions of our past.

On September 3, 1963, a tradition was born, a Colonel Tradition. We, the seniors, of 1988, feel honored to know that we are and will continue to be part of that tradition.

Through our dedication, hard work, and the encouragement of our teachers and coaches we have finally arrived at that time in our lives that will always hold a special place in our hearts.

Truly . . . We will be . . . Colonels Forever.

1. UH! OH! Spaghettios!
2. I tried, but he just won't quit.
3. Are you trying to impress me?
4. You wouldn't believe it if we told you.

## Junior Spotlight

### Talent To Spare

Robert Hamblin — Music To The Ear

*Robert Hamblin, Whitley County High School Junior, says, "When I'm on stage I feel like I'm in control, I know who I really am. Playing music is sort of like being on a natural high. It opens doors to worlds most people never get to see. Music is ebutes!"*

*Robert, who has been playing music since the age of eight, credits his family with inspiring him musically.*

*Robert Hamblin performs "Lying Eyes" at a post football game WCHS dance.*

*Spoken with a smile of appreciation, Robert said, "Most of my family plays music so it just came naturally to me."*

*What does the future hold in store for him? "Well, I plan to study music in college, probably EKU, beyond that I'm not sure what I'll do but it will definitely involve music."*

## What A Year!!!

Our year began with high expectations and a few butterflies. We expected to have more freedom and more fun but at the same time we were a little anxious about the new responsibilities that come with these privileges. All in all, we've handled the responsibilities and the fun like pros and feel we're ready to step into the shoes of the exiting Seniors. Offering our congratulations and best wishes to our "upper class" friends, we are proud to carry on the Colonel Tradition.

Mr. and Miss Sophomore — Anthony Lawson and Muneeka Perkins

## S O P H O M O R E S

Sometimes being a sophomore can be difficult. At first, you were in awe of the Juniors and Seniors who all seemed to be so at ease here at the high school and you were not sure where you fit in. Then, you came to realize that they were really "okay" people and ready to lend a helping hand when needed. As the year has passed you've become more comfortable with being at the high school you have grown accustomed to the rules, the people, and what's expected of you. Now that the end of the year is close, you are one step closer to the goal of every high school student, graduation. As you continue your climb toward "the top", remember to meet each challenge with a positive attitude and to carry on the Colonel Tradition with pride.

## “Columbian Connection”

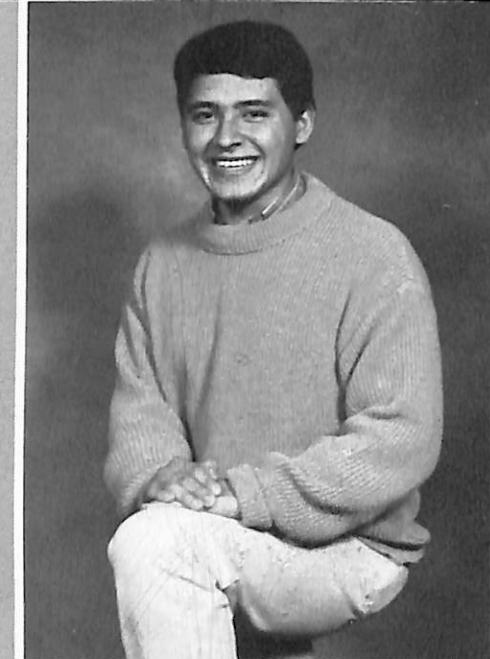

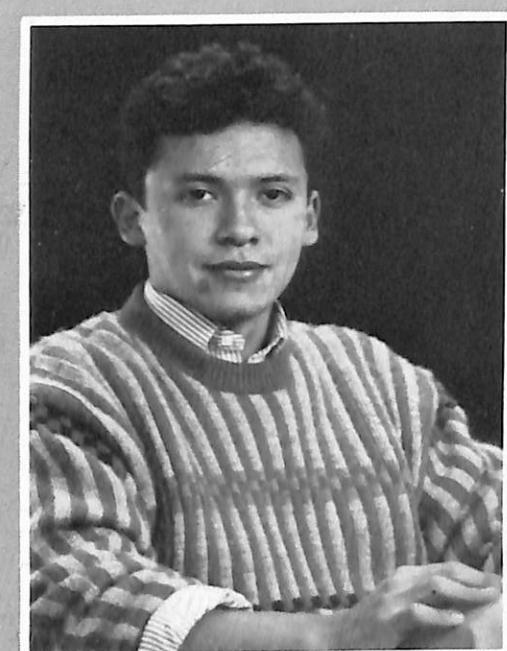

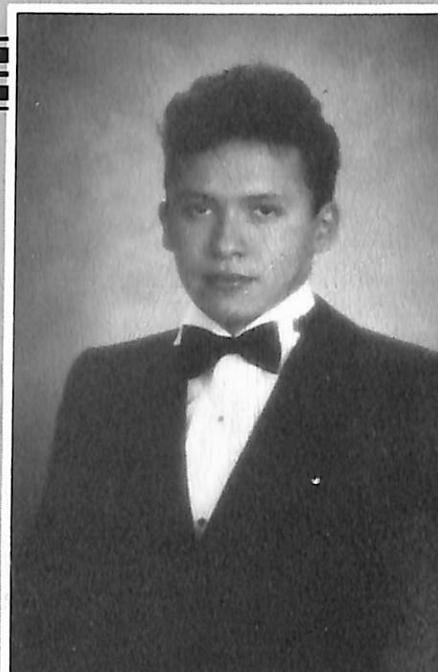

Ivano and Pier Castillo are visiting students from Pasto, Colombia. They are participants in the Educational Foundation Program.

Several questions were posed to Ivano and Pier regarding some of their ‘favorite things’ about America:

Movies: Ivano — “Dirty Dancing”; Pier — “Nightmare on Elm Street III”. Music Group: Ivano — Motley Crue; Pier — Ratt. TV Show: Ivano — Love Connection; Pier — Alf. Class: Ivano — Choir Pier — Choir. Expression: Ivano — “That’s all folks”; Pier — “Okey Dokey”. Sport: Ivano — Swimming; Pier — Football. Cartoon Character: Ivano — Garfield; Pier — Ziggy.

Ivano and Pier plan to return to their home sometime this summer. Before leaving America though, they have planned a visit to our nation’s capital.

It has been a pleasure getting to know the Castillo brothers and sharing an important part of their lives.

## '87 Marching Colonels

Director, Ms. Nancy Cotton

The 1987-88 Whitley County High School Band Season began with an exciting week at band camp in Maryville, Tennessee and continued on enthusiastically through the year. During football season the band brought audiences to their feet with their impressive performances at half-time. Highlights of the year included: winning first place at the Daniel Boone parade, first place — percussion section, Prestonburg Marching Band Festival, and first place — field commander, Washington County Marching Contest. Under the direction of Ms. Nancy Cotton, this year's band has been a constant source of Colonel Pride.

## Academic Team

Recognizing that students are both challenged and motivated by a well developed competitive activity, Whitley County High School supports and participates in the Kentucky Academic Association. Our Academic Team is divided into two divisions; The varsity, composed of juniors and seniors, number 10 in strength, and the junior varsity, composed of freshman and sophomores, number 9 in strength. All but two of the varsity team members were on the Academic Team last year and are expected to excell again this season.

"Come on Eric, you know this."

## Art Club

The Art Club devotes its time to developing the artistic abilities of students who have an appreciation for the beauty that surrounds them. The Art Club members, especially the senior members, always look forward to the annual Christmas Party. This year, the Art Club participated in the Festive Festival to raise money for the club. The club takes a trip in the spring to visit The Cincinnati Art Museum, Kings Island and the zoological park. The Art Club also sponsors the Senior Art and Photography Show at the end of the year. They also represent Whitley Co. in Regional and State KAEA Art Competition each year.

*"We feel like strides were made, especially late in the year, toward building back our winning tradition in football. We will be losing thirteen seniors from the 1987 team, who will be missed. The seniors have challenged the returning players to work harder for the 1988 season. The coaches are very proud of the players for the time and effort they have put into this season." — Sam Schafer, Head Football Coach.*

Friday, September 11, 1987 was a night some of us will never forget — the night of our 1987 Football Homecoming.

Fourteen girls anxiously awaited the results of the school's homecoming queen election. Though bad weather threatened us at first, we didn't let it "rain on our parade".

At half-time the royal court was presented. Selected as 1987 homecoming queen was Melissa Rose, escorted by Brian Rose. Trenaea Peace, the 1986 reigning queen graciously crowned the new queen.

Homecoming night is just one more reason we can all be proud of the long standing Colonel Tradition.

James Nichols

This year's track team has much to be proud of. Senior Marvin Kelly is one example. During two meets, the Kentucky State High Jump Sectional, held in Lexington, and at the Bell County Track Meet, Marvin managed to make jumps of six feet. Achieving this, Marvin has broken the all time high jump record for Whitley County High School. When asked just how he went about facing this challenge, he modestly responded, "My determination got the best of me. I wanted to do it, I knew I could do it, and I did it! At the Ky. State Sectional, I did have some doubts, but I gave it my all and did it!" He received sixth place in the meet held at the UK Track field in Lexington. Other accomplished team members include Gary Kelly, who is Marvin's brother. Gary won the All Conference and placed eighth in the SEK Conference Cross County meet held in Harlan, Ky. Mark Croley, also a Senior, placed eleventh at the meet and Tim Powers placed fourteenth. However, only the top ten received all conference honors! Commenting on future plans for the team, Marvin said with a look of confidence, "The team holds great expectations for the spring, and believe it or not, I'm going to try to break my own record!" Way to go guys! You make us proud to know that you're a living part of the Colonel Tradition!

# ADMINISTRATION

We offer many thanks to the administrators of our school, from the principal to the principal's secretary. While keeping the wheels of our education oiled and turning, the administration has implemented many new changes this year. These changes have included; advanced placement classes, breaks for the students, stricter enforcement of disciplinary codes and the encouragement of increased school spirit. The students appreciate the effort on behalf of the administration to improve the quality of education at Whitley County High School.

## Horace Partin

*Horace Partin, U.S. and World History teacher at Whitley County High School, finds the time, not only to be an excellent teacher, but to pastor a church and be a dedicated family man as well.*

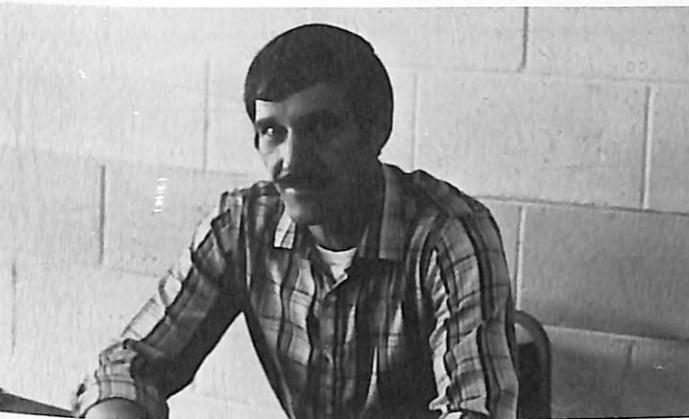

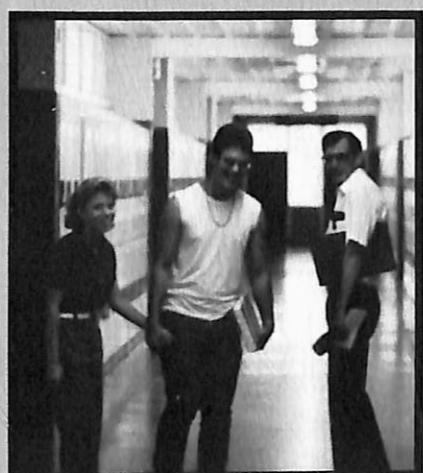

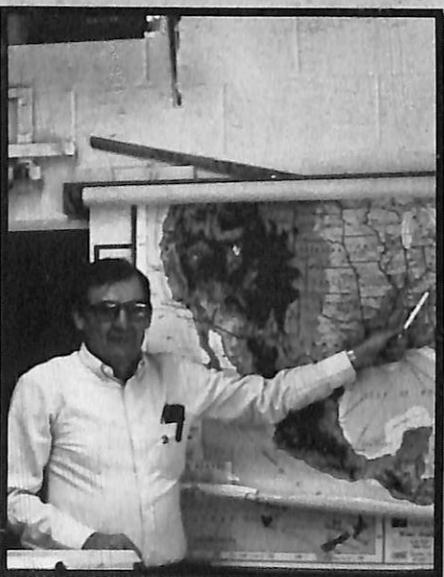

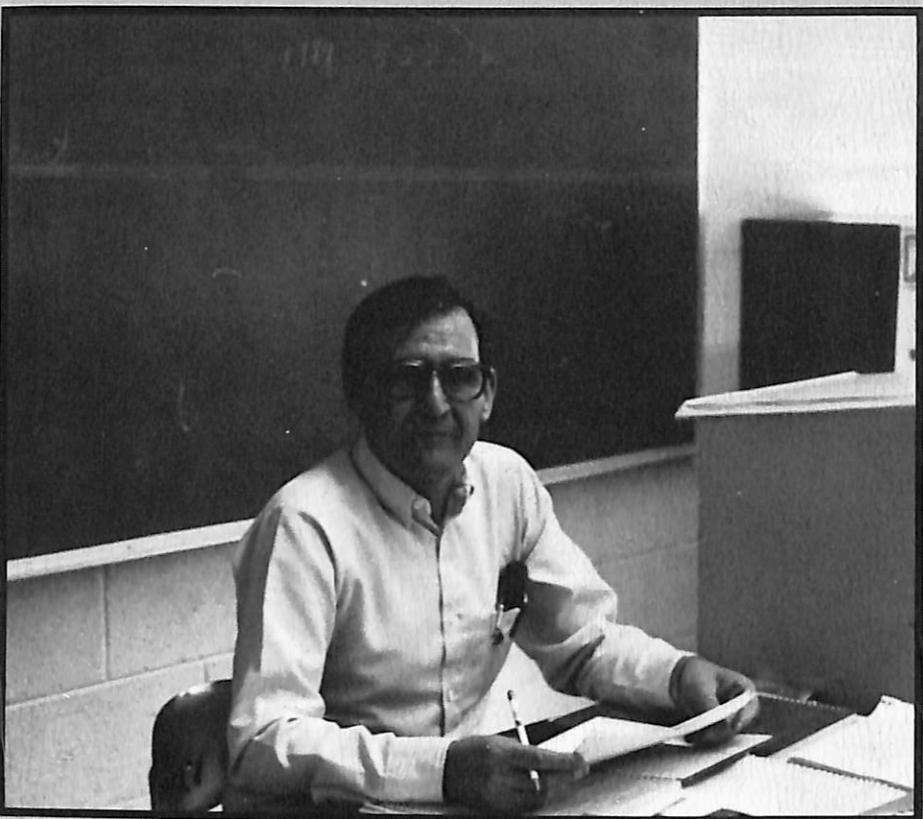

*Mr. Partin has been teaching at Whitley County High School for twenty-three years. During this time, he has seen many changes in the school. When asked his opinion of changes made at the high school this year, he responded, "Fantastic! It reminds me of when I just began teaching here. Everyone is where they're supposed to be." He smiled as he added that he has enjoyed his years at Whitley County "very much".*

*Mr. Partin prepared for his career by attending Cumberland College in Williamsburg and Union College in Barbourville, where he received his Master's Degree.*

*As well as teaching, Mr. Partin is the pastor of Boston Baptist Church in Boston, Kentucky. He admits that handling both jobs, though, "is hard, definitely."*

*Family is very important to Mr. Partin also. His wife, Mary Evelyn, teaches at Boston Elementary. The Partins have three sons: Darrell, 27; Denver, 21; and Gregory, 12.*

*When asked what advice he could give to the students at Whitley County High School he offered this, "Hard work always pays off. In the long run you can do anything that you want."*

# Hold On To The Moment

*Single file and yet together,  
We have shared our greatest days.  
And we carry common memories  
In different ways.*

*Though we don't know where we're going,  
We will cherish where we've been.  
I want to cry.  
I want to shout . . .  
Want to let this feeling out.*

*Hold on to the moment.  
Let the feelings show.  
Hold on the moment.  
Never let it go.*

*I can picture us together  
With my arms around my friends.  
Just let me hold on to this moment,  
Before it ends.  
There was laughter. There were tears,  
Through the dozen golden years.*
