

Dear Restaurant Friends,

As we prepare for our school's upcoming 2025 TrueBlue Gala, we are kindly asking for your assistance and donations to make this year's event the best yet! Patrick F. Taylor Science and Technology Academy's annual TrueBlue Gala is the school's largest fundraising event that is dependent on the generosity of local businesses and restaurants to be a success. We are a Jefferson Parish Public School that provides enriched instruction in mathematics, science, and technology in an academically challenging, college preparatory environment. Pat Taylor students are the future scientists, inventors, engineers and community leaders that will usher Jefferson Parish into a new era.

This year's TrueBlue Gala will be held on April 12, 2025, at Southport Hall from 7pm-11pm. The event includes a silent auction and a live band with an anticipated 300+ guests in attendance. To accompany their beverages from the open bar, our guests will indulge in and enjoy the cuisine of local area restaurants such as yours. Therefore, we would graciously appreciate a generous donation of your restaurant's signature dish to this important fundraising event.

All Gala proceeds go directly to Patrick Taylor students for the advancement of their academic endeavors. Your restaurant's support and donation will be acknowledged in all Gala promotional materials;, including signs and recognition on social media. We also assure you that your restaurant will be patronized by the Patrick Taylor school community.

We can arrange for your donation to be picked up on Saturday, April 12, 2025. We are truly grateful for your generosity. Thank you for supporting our kids! If you are not able to donate a food item, please consider donating a gift certificate or item for our auction. If you have questions or would like to request your donation to be picked up, please contact Renee Gay (504-322-5459) or Brandi Donelon (504-235-8858). You can also email us at friendsofpftsta@gmail.com.

Best regards,

Renee Gay, Brandi Donelon, and Robby McElhannon
