Override

WHAT WILL THE M&O OVERRIDE FUND?

Athletics & Arts Programs

DVUSD offers competitive high school and middle school sports programs at multiple levels, and visual and performing arts such as theatre, chorus, and band for students of all talents and ages.

Free Full-Day Kindergarten

Since 2017, DVUSD has funded full-day kindergarten to our community at no out-of-pocket cost to families.

Student & Family Needs

DVUSD provides student support services such as school nurses, academic counseling, and early childhood preschool programs.

Increase Employee Pay & Maintain Class Size

Approximately 8% of employee pay comes from M&O override funding, allowing DVUSD to attract and retain teachers. This also allows DVUSD to keep the average student-to-teacher ratio at 17:1 per classroom.

VOTE

The DVUSD Override is **NOT** a new tax nor is it a tax increase!

What is an override?

An override helps preserve fine arts and athletic programs, as well as maintain class sizes. The funds will also be used to attract and retain highly qualified teachers and support staff.

Missing Work

An assignment is considered as missing work when it is not submitted by the due date.

Missing work will be treated as such:

- The assignment will be marked with the “Missing” special code in the gradebook
- A 49% will be entered as the score for the assignment in the gradebook
- No Evidence (NE) will be entered for the standards attached to the assignment
- If the work is submitted, it will be marked as late and the assignment score (49%) will be changed to reflect the student’s actual score with no deductions or penalties

Late Work

An assignment is considered late work when the assignment is not submitted by the due date that was established, but is submitted by the end of the marking period.

The student will be issued **full credit** for the work submitted (no added penalties or caps on the grade that can be earned). The teacher will mark the student's assignment with the "Late" special code. If the assignment is an assessment, the proficiency level of the standards attached will be entered.

Reassessment

Retake: The student completes another assessment of the same learning targets. The assessment to be retaken may be in the same format or a different format. The higher of the two scores will be entered in the gradebook.

- Students may retake an assessment one time.
- Students must request to retake an assessment.
  - ***A reassessment request must be made within 10 school days after receiving the assessment score***
- Retakes can be in another format.
- For Retakes - the original score **is** replaced, if the new score is higher. The new score will not be capped or penalized.
- Teachers may administer reassessments until the marking period is closed**.**

Missing Work

An assignment is considered as missing work when it is not submitted by the due date.

Missing work will be treated as such:

- The assignment will be marked with the “Missing” special code in the gradebook
- A 49% will be entered as the score for the assignment in the gradebook
- No Evidence (NE) will be entered for the standards attached to the assignment
- If the work is submitted, it will be marked as late and the assignment score (49%) will be changed to reflect the student’s actual score with no deductions or penalties

Late Work

An assignment is considered late work when the assignment is not submitted by the due date that was established, but is submitted by the end of the marking period.

The student will be issued **full credit** for the work submitted (no added penalties or caps on the grade that can be earned). The teacher will mark the student's assignment with the "Late" special code. If the assignment is an assessment, the proficiency level of the standards attached will be entered.

Reassessment

Retake: The student completes another assessment of the same learning targets. The assessment to be retaken may be in the same format or a different format. The higher of the two scores will be entered in the gradebook.

- Students may retake an assessment one time.
- Students must request to retake an assessment.
  - ***A reassessment request must be made within 10 school days after receiving the assessment score***
- Retakes can be in another format.
- For Retakes - the original score **is** replaced, if the new score is higher. The new score will not be capped or penalized.
- Teachers may administer reassessments until the marking period is closed**.**
