Explorer Academy students have invited their families to join them for a Winter Wonderland event on Thursday, featuring creative, hands-on activities before they head off for winter break.

The students will take a crack at building and decorating a gingerbread house. They'll do a hands-on snowman throwing art activity that they can take home and replicate during the break. They will embark on a Winter Wonderland Scavenger Hunt that will send them exploring the whole school to find hidden treasures. And they'll enjoy a hot chocolate bar complete with all their favorite toppings.

The staff at Explorer Academy aims to make this event a delightful experience filled with laughter, creativity and community spirit.
