## \*Driver's Education

### **Driver's Education Winter/Spring 2025-IN PERSON**

Community Education offers teen driver education in cooperation with Safeway Driving School. Safeway Driving School has been graduating teen drivers in the Twin Cities area for over 50 years. Safeway's only focus is creating safe, responsible teen drivers. Classroom and behind-the-wheel lessons emphasize defensive driving techniques tailored to the inexperienced teen driver while targeting to influence the invincible teen attitude. All of Safeway's instructors are licensed by the Minnesota Dept. of Public Safety. The cost of the teen package is \$419 and includes the classroom and behind-the-wheel lessons, and all materials. Pay in full upon registration (\$419) or choose the payment plan: \$269 payable to Community Education upon registration and \$150 (two payments of \$75 each) payable to Safeway at the behind-the-wheel lessons. Classroom instruction prepares the student to take the Minnesota permit test and begin the responsibility of driving. The 30 hours of classroom time is structured into 10 independent lessons. Students must be on time for all classes. After class is completed, students that are 15 years old are eligible to take their permit test at any Minnesota exam center. The permit test is not provided during the class. Students can take the class at age 14½ but cannot take their permit test until age 15. Make-up lessons can be taken in the next session or at any of Safeway's other virtual locations. Students must make up the exact lesson number that they missed. Students are welcome to make up in any location as long as the class is not marked "Class Full" on Safeway's website. For make-up options, contact Safeway at 651-351-9150. Behind-the-wheel instruction includes six hours of driving in three, two-hour private lessons. All driving is done in a real car on actual city streets, highways and freeways with a responsible, licensed Safeway instructor. Safeway recommends students take their first lesson after at least 5 hours of practice driving. The lessons should be a minimum of 30 days apart to allow for practice. The lessons can be completed up to one year after completing classroom. Scheduling is offered online for 24/7 convenience. All of Safeway's cars are white with identical graphics, so parents and students are confident that it is a Safeway car picking up the student for a lesson. Students can get picked up for their behind-the-wheel lesson from home, school or work. Parent involvement is required to produce safe, responsible teen drivers. It is critical that parents plan to practice regularly with their new student drivers. Safeway offers a free online parent class on their website. The state requires that students have a minimum of 50 hours of practice (15 hours at night). The practice time must be recorded on a state-approved Supervised Driving log and presented at the road test. ### **Driver's Education Winter/Spring 2025-VIRTUAL**

The State of Minnesota requires that driver's education distance learning be conducted in a face-to-face platform, which requires that students have a video camera and audio capabilities on their devices. Safeway has chosen a secure Zoom platform to conduct the class. Students will be required to be in front of the camera and interactive for the full three hour class. Safeway will be emailing the classroom handouts and 2024 MN Driver's Manual in pdf format for printing. If you do not have the ability to print your course materials, please contact [tkohner@isd622.org](mailto:tkohner@isd622.org) at least one week prior to the start of your class to pick up a printed packet. #### **1 Day Horse Camp (Ages 6-15)**

DAY CAMP (Ages 6-15) TIME: PARENT Drop-off is at 9am and PARENT pickup is 3pm. Sorry we do not allow parents to stay for the day. WHAT TO EXPECT: Kids will learn what it's like to have a horse for a day! Campers get to ride in the indoor and/or outdoor arenas for 40min-50min (no trails), practice how to steer, stop, turn, and walk on their own. They also might make horse treats, do a craft, and play games. And don't forget the time to meet and care for the horses, which is a big part of ownership! Campers are broken into smaller groups based on similar riding experience and age, which is perfect for both new and more experienced riders! WHAT DO CAMPERS NEED TO BRING? Long pants, closed toe shoes, appropriate clothes for weather inside and outside of barn. No flip flops. Sunscreen/hat/bug spray Water bottle/drinks/snacks and a lunch Treats for the horses if you want Helmets are provided. WEATHER: Camps are held rain or shine, as we have an indoor barn and arena.
