PRESS RELEASE
For Immediate Release

The International School of Kenya (ISK) unveils 2025-2026 Scholarship Program.

- Up to two outstanding Kenyan students stand a chance to pursue their High School education at the International School of Kenya. The scholarship covers up to 100% of all tuition, and a full waiver of admission, bus, and capital levy fees.
- Recipients will pursue their High School education in a community of 1090+ students from over 65 nationalities.

Nairobi, November 22, 2024
International School of Kenya, a private, non-profit co-educational day school on the outskirts of Nairobi, announces its 2025-2026 High School Scholarship Program. The program provides opportunities for low- to middle-income Kenyan students to participate in an academically rich and culturally diverse learning environment.

Scholarship applications are now being accepted for students entering Grade 9 in August 2025. Applications are open only to Kenyan citizens with proven financial need, and in order to qualify, applicants must be at least 14 years old by July 2025 and eligible to start Grade 9 in August 2025. Applicants must have completed Grade 8 or Year 9 and have high academic achievement and sound leadership skills; they must also have the ability to live in Nairobi with family or legal guardians.

Students meeting the above criteria can visit the ISK website to begin the application process and submit their applications by **January 10, 2025.** Selection will be based on merit and proven financial need. Recipients of a full scholarship, valued at over **Ksh. 20 million** (4-year scholarship at ISK), will be announced in May 2025.

The scholarship recipients are entitled to up to a 100% reduction in tuition & fees at the International School of Kenya. In addition, the admission fee, bus fee, IB exam fees, and capital levy fee are fully covered by the scholarship. A student who has been awarded a scholarship will be entitled to receive it for the duration of their time at ISK, provided the student remains in good standing, academically and socially.

Note to Editor:

The **International School of Kenya** (ISK) is a not-for-profit, private, coeducational day school that offers an educational program from Pre kindergarten through Grade 12 as well as the International Baccalaureate (IB) Programme for students. The curriculum draws from rigorous standards and benchmarks from around the world, with the objective of providing a challenging program that allows students to transition to the best schools internationally, as well as to top universities. The IB Diploma Programme includes both standard and higher-level subjects. The school's testing program includes the College Board tests (PSAT and SAT) and the Comprehensive Test of Basic Skills. Instruction is in English, with French, Spanish, and Swahili offered as foreign languages.
