- Ad Hoc Committee Meeting
 - Examining data to analyze different aspects of Department
 - Information related to I&RS, OOD placements and district-wide services
- I&RS
 - Schools vary in the number of I&RS cases they carry
 - Montrose and South Mountain had the lowest number of cases
 - Seth Boyden, Tuscan and CHS has the highest number of cases
 - Areas identified for further examination and work
 - Standardized procedures for Tiers 1, 2, 3 interventions and I&RS
 - Standardized forms
 - Equitable availability of interventions
 - Strong data collection and analysis to determine efficacy of interventions
 - Central location to house data, plans and interventions
 - Examine digital programs to offer some of these tools

Access and Equity:

- Discussion of Restorative Practice goal action plan - Discussion of our BOE action plans continued. Everything that is added is good, but we are lacking a clear plan and ensure that there is transparency with the community
- The first checkpoint with building culture and climate is this month. Dr. Gilbert will be visiting all schools to check in.
